Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by Title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P.M. on Saturday, May 6, 1950, a Recess shall be taken at that hour until 7:45 P.M. Should further time be required, Convention shall meet again on Monday, May 8, 1950, at 9:30 A.M.

The Rev. Thomas A. Meryweather offered the following Resolution, which was referred to the Department of Christian Social Relations:

WHEREAS it is the duty of the Church to reveal God's will in international as well as in personal relationship, and

WHEREAS the National Council of our Church did on February 16, 1950 adopt a statement concerning the peaceful use of scientific knowledge in international relationships entitled "Progress Toward Peace,"

THEREFORE BE IT RESOLVED: that this Convention hereby approve this statement of the National Council which reads as follows:

For more than a hundred and fifty years so-called progress in the art of war has vastly increased the size and destructiveness of armed forces on land and sea and in the air. Increasing scientific knowledge and technical skill have recently produced missiles and other weapons of a destructive power hitherto unimagined. "total war" is a fair description of the danger of mankind, "total destruction" may be its outcome.

This advance in the art of war has not brought greater security or freedom from fear to our own country or to other lands. Rather it has increased that peril and that fear. To decrease them international agreements of the limitation and supervision of these weapons and armed forces are necessary.

The same increasing scientific knowledge and technical skill that have made possible "total war" have opened the way to a vast increase in human welfare when this knowledge and skill are devoted to the arts of peace.

We therefore urge the President of the United States and our other political leaders to seek international agreements for the limitation and supervision of weapons and armed forces, and for the peaceful uses of this scientific knowledge and technical skill to advance human welfare.

We urge all members of our Church in reliance on God to exercise their responsibility as Christians to pray and labor for a world at peace in which through material and spiritual progress a world-wide human welfare may be increasingly achieved.

Since the moral and spiritual forces in the world which God has created are far mightier than the material forces as a means for ensuring peace and freedom from fear, the Church is called to rise to its opportunity and bear witness to the love of God for all mankind revealed in Jesus Christ our Lord.

The Rev. Dr. Nathanael B. Groton offered the following Resolution, which was referred to the Committee on the Dispatch of Business:

WHEREAS there is an increasing need in the diocese for a large church with adequate parish house facilities available for diocesan services and meetings: and

WHEREAS such services and meetings have frequently been held at the George W. South Memorial Church of the Advocate, of which the Bishop of the Diocese is ex-officio chairman of the Board of Trustees, and of which the physical fabric is maintained by the income of trust funds left for that purpose:

THEREFORE BE IT RESOLVED that this Convention authorize the Bishop of the Diocese to appoint a committee of five with power to add to their numbers, who shall study the opportunities for further use of this plant for diocesan purposes and also the possibilities of a closer relationship between the Diocese and the Church of The Advocate, and who shall report to the Convention of 1951.

The Rev. William N. Parker offered the following Resolution, which was referred to the Committee on The Dispatch of Business:

RESOLVED, That the next Annual Diocesan Convention begin on Monday, April 30th, 1951 at 5 P.M., to be followed by a Diocesan Mass Meeting that evening at which the Annual Address of the Bishop of the Diocese shall be read, with adjourned sessions on Tuesday, May 1st, beginning at 9:00 A.M.

The Rev. William N. Parker offered the following Resolution, which being seconded and discussed, on Motion was adopted:

WHEREAS General Convention has authorized the Standing Liturgical Commission to secure an opinion from the Dioceses on the desirability of

commencing an immediate revision of the Book of Common Prayer, and

WHEREAS the present revision of the Prayer Book has been in use for only a little over twenty years, and

WHEREAS there are many objections to undertaking a new revision so soon, among which are, (a) The controversial atmosphere which is heightened and emphasized during a period of revision, causing genuine distress among the laity; (b) The general satisfaction which the Church has in the many merits of our present Prayer Book, and the commendation of it in other parts of the Anglican Communion; (c) The very heavy burden of expense to our Parishes and Missions in discarding one Prayer Book and introducing another, which expense should be undertaken only when the Church is clearly convinced that it is necessary; (d) The complete absence of any general demand or real need for revision.

THEREFORE BE IT RESOLVED that the Convention of the Diocese of Pennsylvania declares that in its judgment a revision of the Book of Common Prayer at the present time is inexpedient and undesirable, and

BE IT FURTHER RESOLVED that copies of this Resolution be sent to the Presiding Bishop, to the Chairman of the Standing Liturgical Commission, and to the Church Press.

The Report of the Commission on Music was presented by title by Mr. Newell Robinson, who offered the following Resolution, which on motion was adopted (Appendix R, page 316).

The Rev. Thomas A. Meryweather offered the following Resolution set forth by The National Council, which on Motion was adopted:

WHEREAS it is the duty of the Church to reveal God's will in international as well as in personal relationships, and

WHEREAS the National Council of our Church did on February 16, 1950 adopt a statement concerning the peaceful use of scientific knowledge in international relationships entitled "Progress Toward Peace,"

THEREFORE BE IT RESOLVED: that this Convention hereby approve this statement of the National Council which reads as follows:

"For more than a hundred and fifty years so-called progress in the art of war has vastly increased the size and destructiveness of armed forces on land and sea and in the air. Increasing scientific knowledge and technical skill have recently produced missiles and other weapons of a destructive power hitherto unimagined. 'total war' is a fair description of the danger of mankind, 'total destruction' may be its outcome.

"This advance in the art of war has not brought greater security or freedom from fear to our own country or to other lands. Rather, it has increased that peril and that fear. To decrease them, international agreements for the limitation and supervision of these weapons and armed forces are necessary.

"The same increasing scientific knowledge and technical skill that have made possible 'total war' have opened the way to a vast increase in human welfare when this knowledge and skill are devoted to the arts of peace.

"We therefore, urge the President of the United States and our other political leaders to seek international agreements for the limitation and supervision of weapons and armed forces, and for the peaceful uses of this scientific knowledge and technical skill to advance human welfare.

"We urge all members of our Church in reliance on God to exercise their responsibility as Christians to pray and labor for a world at peace, in which through material and spiritual progress, a world-wide human welfare may be increasingly achieved.

"Since the moral and spiritual forces in the world which God has created are far mightier than the material forces as a means for ensuring peace and freedom from fear, the Church is called to rise to its opportunity and bear witness to the love of God for all mankind revealed in Jesus Christ our Lord."

The Report of The Standing Committee was presented by Title (Appendix G, page 200).

The Report of the Directors of the Church Foundation was presented by Title by Mr. E. C. Bendere, (Appendix K, page 296) who also spoke concerning the work of the late Executive Vice-President, The Rev. Francis C. Hartshorne, D.C.L., and offered the following Resolution, which on Motion was adopted:

The totally unexpected death of the Rev. Francis C. Hartshorne, D.C.L., on April 16, 1950, has deprived the Church Foundation of its senior board member in point of service. Dr. Hartshorne has probably done more than any other person to bring about the existence in this diocese of a corporation which is properly quali-

fied to care for funds belonging to the diocese and to the parishes, missions and other institutions in this diocese.

In 1917, when Dr. Hartshorne first became a member of the Trustees of the Diocese of Pennsylvania, that predecessor corporation to The Church Foundation held securities for Churches and Missions in this Diocese and other diocesan organizations valued at approximately $400,000.

In the thirty-three years that Dr. Hartshorne was an active member of The Church Foundation, the value of securities has increased more than five fold. The Church Foundation now supervises investments approaching $2,400,000. in value and, in addition, has custody of more than 120 parcels of real estate scattered throughout the diocese.

When Dr. Hartshorne became the Executive Vice-President of The Church Foundation in 1937, it can be truly said that there was no real organization within The Church Foundation capable of handling funds of the quantity and complexity which are now administered.

Even before he was elected Executive Vice-President, Dr. Hartshorne had been cooperating with the trust company which has safekeeping of The Church Foundation's assets. As a result of such cooperation and of Dr. Hartshorne's meticulous attention to details, the records of The Church Foundation were completely reorganized. The Church Foundation is now virtually a trust company in its own right. Every fund under its custody, no matter how small, is carefully supervised. The establishment of a Consolidated Investment Fund now permits even the smallest fund to return to its beneficiaries adequate income and at the same time gives great security to the principal of the fund.

Dr. Hartshorne possessed the rare endowments of both priest and lawyer. He approached each problem with personal interest. His extreme caution sometimes disturbed those whom he was trying to help, but was always justified, even in their minds, before a project was completed. His attention to detail was surpassed only by his constant joyfulness, and pride in accomplishment.

So much of the success, and such a large portion of the growth, of The Church Foundation is attributable to the selfless interest of Dr. Hartshorne, that the Board of Directors of The Church Foundation feel that all interested persons in the diocese should know of its appreciation of the services Dr. Hartshorne has rendered to The Church Foundation and through it to so many of the parishes and missions and other organizations in the diocese.

In addition, it is the feeling of the Board of The Church Foundation that all members of this convention would wish to join in expressing to Dr. Hartshorne's family our thankfulness that God

blessed us in letting him be with us long enough to accomplish so much.

Accordingly, the following resolution is offered:

RESOLVED, That this convention, desiring to recognize the devoted service of the Rev. Francis C. Hartshorne, D.C.L., and being desirous of expressing to the members of Dr. Hartshorne's family our sense of loss in his passing, hereby directs that the foregoing special report of the Church Foundation be spread in full upon the minutes of this meeting, and that a certified copy thereof be transmitted to Mrs. Hartshorne.

LET US PRAY

Almighty God, with whom do live the spirits of those who depart hence in the Lord, and with whom the souls of the faithful, after they are delivered from the burden of the flesh, are in joy and felicity; We give thee hearty thanks for the good example of thy servants, who having finished their course in faith, do now rest from their labours. We thank thee especailly for all the goodness and courage, which has passed from the life of these thy servants into the life of others and has left the world richer for their presence. We thank thee for their life's task faithfully and honourably discharged; for their good humour gracious affection, and kindly generosity and for their love and devotion to the Church and their leadership in its life and work, through Jesus Christ our Lord who liveth and reigneth with thee and the Holy Ghost, one God, world without end.

Amen.

I feel that it is not necessary for me to dwell upon the condition of our tragically divided world. We know that the H bomb and other weapons provide ample means for collective destruction. The Communists and the free world seem to be moving from cold war to what someone has called "a general state of gorilla attrition."

In the midst of this confusion a hopeful sign is the increasing recognition of the necessity of the Church. It used to be said that men could be quite good Christians without being church members and without participating in the worship of any church.

Now we see more clearly that a Christian man is one who recognizes his responsibility in and for the Church. Says Alan Richardson, "A Christian does not go to church because he enjoys special religious feelings which other people do not possess, but because he recognizes an obligation imposed upon him in virtue of his membership in the body of Christ, a privilege which carries with it the responsibilities of entering into and sharing all the activities and tasks which the Church of God upon earth exists to undertake."

We are assembled in this Convention to consider our part in this great task. The Diocese of Pennsylvania of the Protestant Episcopal Church has its definite part to play. I shall, therefore, confine my thoughts mainly to our own diocese.

On December 9, 1949 the Eexecutive Council voted to ask the members of the diocese for $400,000.00 for capital needs in the diocese.

$150,000 for Church Extension
125,000 for Diocesan Conference Center
125,000 for Philadelphia Divinity School

You will be asked to endorse or reject their action. If you approve, this will be the first appeal for capital expenditures in the diocese since the major appeal of 1928. During the seven and a half years that I have been privileged to work with you, we have consistently set aside an appeal for diocesan needs in order to enable us to put all our strength behind the work of the National Church. I am not now advocating an "either or" policy. I believe that we are quite capable of doing our part in the work of the National Church and at the same time taking care of our basic needs in this diocese.

The $150,000 for Church Extension will not enable us to meet all the opportunities within our diocese, but it will enable us to start work in one or two new places and help to strengthen work already started. I believe that your Executive Council will use this money wisely and well. In one case it may be advisable to make an outright gift. In most cases it will be a wiser policy to use this money as a revolving fund, allowing a mission to repay without interest the sum advanced to assist them in providing necessary facilities. Our neighbor, the Diocese of Delaware, has just raised a fund of $250,000 for this purpose.

The need for a Diocesan Conference Center becomes daily more pressing. In presenting the budget adopted by the General Convention last fall, we failed to make use of our laymen as we should have done. We must not make the same mistake this fall. We should have sixty or seventy laymen who would be thoroughly informed and willing to tell the story to vestries or to congregations. One or two of our laymen will attend a training

conference at Seabury House this month. What a great thing it would be for this diocese if we had a Conference Center where we could bring together sixty or seventy of our laymen for a Saturday-Sunday training conference! We haven't a Conference Center, so we must find some other place this year.

The need of a Conference Center is overwhelming when we think of our young people. It is a thrilling thing to see the way in which other dioceses are using their Conference Centers. From June 12th to September 10th there will be one conference after another for various age groups among the young people, for the Woman's Auxiliary, for Vestrymen and other men's groups. In this diocese we have arranged for one conference in June for our young people at Haverford College. We are grateful to our Quaker friends for making this possible.

We cannot remedy the situation for this year, but we can begin now to make it possible to have an adequate Conference Center within a few years. A suitable property is being deeded to us. It would cost the diocese at least $200,000 to buy the land and erect the buildings to take care of our minimum needs. Inasmuch as the property is being given to us without cost, surely we can secure $125,000 as a Conference Maintenance Fund.

The number of changes among our clergy this year has made us more sensitive to the needs of our Divinity Schools. Episcopalians have always shown an interest in secular education, particularly that of medicine. They have also evinced a desire to have a thoroughly equipped clergy. To have such clergy we must see to it that the basic needs of our Divinty Schools are met. If it is important to improve the facilities for education in the various sciences, it is doubly important to have our Divinity Schools equipped to give the very best training to men who are to be physicians of souls. We have now met the minimum requirements for a faculty at the Philadelphia Divinity School. We need a classroom and dormitory building to enable us to do work of the highest quality. Our diocese is asked to give $125,000 toward the erection of this building. Various rooms will, I hope, be given as memorials. Already St. George's, Ardmore is raising $5,000 for a room in memory of their late Vicar, Stanley Wilcox, who was a Trustee of the Divinity School and deeply concerned about its welfare. I hope that one of the classrooms will be given by the diocese in memory of the late Dr. Thomas S. Gates who was a devoted Trustee of the School and who convinced me that it could render a great service to the Church. Make our Divinity Schools the equal to that of any college of medicine, law or business and the ablest of our young men will be led to consider the ministry.

This year we shall probably ordain ten men to the diaconate. We ought to have, as a minimum, double that number. We do

have a large number of postulants. Some of them may fall by the wayside. I am sure that you want only the best to be ordained. The Church has made ample provision to assure a thorough screening of all candidates. I never accept a postulant unless he comes with the whole-hearted recommendation of his rector who knows him personally and testifies to his worth. This is followed by a thorough physical and psychiatric examination. When the postulant has finished his college course and has had one year at a Divinity School, he applies to be received as a Candidate for Holy Orders. The faculty of the Divinity School gives its opinion as to the man's qualifications for the ministry. Then the application comes before the vestry for their endorsement. The vestry does not vote as a body but each vestryman signs his name to the statement that the applicant is a man who will, in his opinion, make a worthy priest. We all know from experience that vestrymen consider this one of their most solemn obligations. Often vestrymen spend hours in investigating the applicant, and talking with him before deciding whether to vote for or against the application. I want you to know that I rely very much on the endorsement by the vestry.

When the applicant has successfully passed all these tests, he appears before representatives of the Standing Committee. I realize that the final decision cannot be shifted from the shoulders of the Bishop but I want to testify to the great value of the advice and counsel which the Standing Committee gives to the Bishop. It is right for us to be extremely careful about the men whom we ordain to the Sacred Ministry. By the same token, we must see to it that our Divinity School training is such that it will command the respect of all.

I am happy to announce that Mr. Daniel A. Newhall, a delegate to this Convention from the Church of the Redeemer, Bryn Mawr, has accepted the General Chairmanship of the Diocesan Advancement Campaign. We do not intend to ask for a parish offering, but do most earnestly hope that every interested communicant in the diocese will take his part in this forward looking work. Mr. Newhall is gathering around him a group of enthusiastic laymen who will personally call upon our people and ask them to help. If they miss you, use your initiative and go to them. If we can get our people, to understand what their own diocese is trying to do, we need have no fear of the results.

A resolution has been introduced in the Convention for the appointment of a Committee to study the possibility of using the Church of the Advocate for Diocesan purposes.

It seems to me that if the Convention desires to have such a study made, it should also include the use, in the next ten or fifteen years, of the Cathedral at Roxborough. To make the

Cathedral available for Diocesan purposes would require the expenditure of a very large sum of money both for construction and for annual maintenance. If it is the wish of the Diocese *not* to proceed with the building of the Cathedral in the next few years, then I think that we ought to make plans to take care of that rapidly growing section of the city by developing a Mission at the Cathedral site. I have felt all along that a house for a Resident Clergyman should be built at the Cathedral and that a Clergyman should be placed there to have charge of the services and to minister to the people in that community. If such a house is built, it should be fitted in with the future plans of the Cathedral so that the house could always be used as the residence for one of the Canons.

I should like to express my heartfelt appreciation of the way in which the Church, as a whole, has responded to the action of the recent General Convention in increasing the pension assessments from 10% to 15%. I do not want to elaborate on its effect on this diocese, which was clearly pointed out by Dr. Hartshorne in the March issue of the Church News. It interested me very much in making a comparison between the grants made by our Church Pension Fund and the Pension Fund of another Church which I thought was stronger than ours. As of April 1, 1950, our average pension to our retired clergy was $1,393.00 The average pension of the other Church was $492.00 Our average pension to the widows of clergymen was $694.00. In the other Church it was $275.00. Our average pension to minor children of deceased clergymen was $408.00. In the other Church it was $95. The basic terms in the other Pension Fund referred to are the same as ours, but this great increase in our system was due to the generosity of the larger parishes being willing to accept an increased pension assessment in order to raise the pensions for those who had received small sums.

The Department of Missions, under Bishop Armstrong, is continuing to make a thorough study of all of our present Missions. and all places where we ought to establish new work. In the almost eight years that I have been bishop, there have been several mergers, St. Mary's, South Philadelphia merged with the Cathedral in Roxborough; St. Michael and All Angles merged with Calvary Church in West Philadelphia; Holy Apostles merged with its Chapel of the Mediator in West Philadelphia; The Church of the Annunciation and St. Christopher's merged at Twelfth and Diamond Streets, Philadelphia; Grace Church and The Incarnation merged with St. George's, Venango, at Edgemont and Venango Streets, Philadelphia; Holy Spirit Mission merged with The Church of the Crucifixion at Eighth and Bainbridge Streets, Philadelphia; All Saints, Moyamensing merged with Ascension

Mission, Rhawnhurst at Frontenac and Ripley Streets, Philadelphia St. Luke's Chester has moved to Highland Gardens; St. James's Church, Twenty-second and Walnut Streets, Philadelphia has been relocated at Green Ridge, Pa.; St. Jude and the Nativity is in the process of being relocated; the Chapel of the Holy Comforter was closed. Four new places have been established: St. Philip-in-the-Fields, Oreland, Pa.; St. Peter's, Broomall; St. Christopher's, Gladwyne and the Chapel of the Holy Apostles, Penn Wynne. A new church has been built for the Church of the Ascension, West Chester and various other properties have been improved. Here again it should be emphasized strongly that the Department of Missions is concerned with strengthening our Missions and starting new work where the opportunities for service and development are best.

By worshipping and working together in our parishes and missions for the spiritual and social values of our religion, we can help in building a better world for ourselves and our children. The need for a strong and vital Church is obvious. I would like to emphasize again, as I have tried to do all through my ministry, that a strong church means a church of strong parishes. I try to keep it constantly in mind that the purpose of all our diocesan organizations should be to strengthen the parishes. We must ever be on our guard against being bogged down by machinery. As an illustration of what I mean—consider the Church's responsibility for the aged. This is a problem of growing magnitude. We ought to face it courageously and with imagination. It involves the agencies which we already have—the Harrison Home, the City Mission, as well as our various institutions for the aged. The whole purpose of the diocesan adminstration is to correlate our activities with a view of meeting the total problem.

Our Diocesan Department of Social Service has, for some months, been conducting a study of this whole question. I hope that they will be able to present a plan which will be practicable and acceptable. The Department might be able to evolve a beautiful plan which would require more money than the diocese has at its disposal and also one which would not be acceptable to the Boards of Trustees of our various institutions. On the other hand, the Department might work out a plan which would be acceptable to the various institutions and financially possible for the diocese, but which would be ineffective and outmoded. The problem is to develop a plan which will be both effective and acceptable.

The same principle applies to our missionary activities, our youth work and every other phase of our diocesan program. Speaking of the courses being given at the Philadelphia Divinity School on the new program of Christian Education being developed by our National Council, a layman of the diocese writes

me, "It is good to have someone presenting Christian Education as a part of the whole of life and not just a separate compartment which has no relevancy." The whole purpose of the diocesan Department of Christian Education, as well as the National Department, is to make Christian Education effective in the parish. If it is not translated into effectiveness in the parish, nothing is accomplished regardless of how grandiose the schemes might be.

I am a little rusty on the various heresies but, as I remember it, the Jansenists were condemned because they said that we must never be happy unless we are unhappy. This heresy seems to be attractive to bishops.We are tempted to feel sorry for ourselves because we have to work so hard. When the census taker came to our home, he asked the form question, "Were you working last week." "Yes." "How many hours did you work?" "Seventy." "What! Forty is the limit."

I am not objecting in the least to the hours reqiured to carry on the work of the diocese but, from the viewpoint of efficient administration, you have done a good thing in electing a second Suffragan Bishop. There seem to be Visitations enough to keep the three of us busy but, quite apart from that phase of our work, I am convinced that we can have a more co-ordinated and effective program. The Department of Social Service and the Department of Missions certainly need Chairmen who can give full-time oversight. I am happy that we are to have at least one more year with two Suffragans. At the end of that time, you shall have to consider what you think is best for the future good of your diocese. I am sure that the clergy and laity here assembled want the diocese to be a stronger and stronger instrument in our Lord's hands. May God give us the grace to do our best and leave the results to Him.

APPENDIX B

Annual Report of
The Rt. Rev. Wm. P. Remington, Suffragan Bishop

"The trivial round, the common task,
Will furnish all we ought to ask
Room to deny ourselves,—a road
To bring us daily nearer God."

So wrote John Keble in a day when life was much simpler and the common task of the average clergyman or Bishop was easier to discover than in these confused and strenuous days. Few members of the Episcopal Church read the printed Diaries of their Bishops. In 1949, Bishop Hart's Official Diary took up thirteen full pages in the Journal while mine occupied twelve pages. If one could add unofficial acts and engagements unreported in the Journal, the Diocese might get some idea of what its Bishops do in serving the Church. No wonder we welcomed the election and consecration of another Bishop in the person of the Rt. Rev. J. Gillespie Armstrong. Our schedules of visitations have been lightened to the extent of two services on a Sunday instead of three. This has enabled us to come into closer contact with parishes by meeting people and vestries and thus fulfilling our functions as Chief Shepherds and pastors. In spite of much general confusion as to the function and character of the Episcopate, we know that no Bishop can be a good Bishop unless he cares mightily for the cure of souls and the spiritual welfare of a parish and the individuals in it.

Keble is right. The trivial round, the common task will furnish all we ought to ask. Every day, five days a week there is abundant opportunity for the Bishops of Pennsylvania to demonstrate their interest not only in great matters of vital concern to the Church, nation, and world; but also in the kindly, cheerful way in which we can strengthen the brethren and advise them in matters of conduct, faith, and policy.

In the great struggle against dictatorships and the evil forces now seeking to enslave humanity, the Episcopal Church has a most important part to play. Constitutional democracy was born when here in the City of Philadelphia the Liberty Bell proclaimed it. Inspired by this love of freedom and by the same democratic ideas, that same generation brought to birth the Protestant Episcopal Church, also conceived in liberty. The genius of that Church lies in the balanced powers of its constituent parts: Bishops and clergy, laymen and laywomen, constitutional representatives in vestries, Diocesan and General Church Conventions. There is no Church quite like it in the United States. Our power and our influence are

needed today as never before. Our Bishop in this Diocese has all these matters very firmly in mind and is developing administrative policies to protect and carry on the principles inherent in our constitution and canons. Sometimes it is difficult to get quick results for we are always committed to ways of persuasion and education rather than dictatorship.

The Bishop is our constitutional leader and responsible under the canons for important decisions. He is president of many boards, a position inherited very largely from Bishops in the past. As Suffragan Bishop, he has committed to me the supervision of institutions within the Diocese. During the year past, I have felt the need of passing this duty on to others since the tenure of my office comes to an end in another year.

The Department of Christian Social Relations has been reorganized and under the chairmanship of the Rev. Thomas Meryweather has functioned with the help of competent heads of committees and the assistance of Miss Florence Davies, part-time secretary. A report of their work will be presented by title and printed in the Journal.

The special task that has been undertaken this past year has been a study of our institutions for the care of the aged. The direction of this survey has been assigned to the Rev. Arnold Purdie of the Department of Christian Social Relations of the National Council, and the study has gone on quietly step by step through the year. I think it well to put on record some of the conclusions of our Joint Consultative Board so far as we have pursued the study. It is most important that the whole Diocese understand the nature of the problem which confronts us.

"In 1920 there were only 5,000,000 people in the country who were 65 years old or older," says *Newsweek* magazine. It continues, "Today there are 11,500,000. By 1980 we may have as many as 19,000,000 . . . ."

Reduced infant mortality and lengthened life expectancy together with an increasing population are some of the causes of this tremendous increase.

The increased burden on homes for the aged is apparent. Long waiting lists exist at every one of our Diocesan homes for old ladies. No home for old men exists in the Diocese.

Conscientious churchmen and churchwomen have devoted much time and thought to this problem. Several suggestions have been made. In the light of a forecasted increase in our population of aged people, a study of our existing facilities and our projected needs seemed necessary. Accordingly, well over a year ago, a joint consultative board was formed. It is composed of official representatives from the following homes: Christ Church Hospital,

Harrison Home, House of Rest, Keen Home, and Leamy Home. This board was formed by the homes to consider mutual problems relating to the care of the aged (including the chronically ill aged) in the Diocese of Pennsylvania and the administration of the homes.

The Joint Consultative Board decided that a study should be made to provide a factual basis for future planning. The purposes of the study were outlined as follows:

1. To secure information regarding the living accommodations now available to the aged or chronically ill in the Diocese of Pennsylvania—whether such be for Episcopalians only or for Episcopalians and others—and the needs for future accommodations not now available.
2. To determine the problems each of the five homes is facing in meeting the needs of its residents and ways in which they might be solved more adequately.
3. To determine whether better use can be made of the present total resources and facilities of the homes.
4. To explore ways and means of improving the financial condition of some of the homes.
5. To determine what new facilities, if any, are needed.

Mr. Purdie was told that he had a free hand in conducting his study and that he could ignore any preconceived ideas of solution to the problems. To date, he reports excellent progress and, as a matter of interest, says:

"I think it is safe to say that the recommendations that will be made will not envision a large single institution, as was suggested a number of years ago. It is probable, however, that some of the recommendations will indicate ways in which the existing homes might work more closely together to their mutual advantage."

I have continued my association with all the agencies concerned with health and welfare and have been active on various boards in advisory capacities.

The campaign for the Community Chest this year fell short of its goal by a considerable amount. Appropriations had to be cut to all of the Red Feather Agencies by about nine per cent and no new work can be undertaken; however, all of our agencies have been able to balance their budgets without too great loss to the services rendered.

There is a desire on the part of some of the leaders to consolidate fund-raising campaigns: Community Chest, Red Cross, and Salvation Army. If such a scheme is undertaken, it probably will mean a further cut in the appropriations to our institutions. I am convinced that the Episcopal Church will have to get ready to raise

more funds for our own institutions, particularly those which already have Diocesan support. The trend which has been going on for some time of making the community responsible for many of its welfare agencies may be reversed if the Community Chest does not meet its budget requirements. This might not be an unmixed blessing since what our Church needs in a Diocesan way is to take greater responsibility for the conduct of social service work on a decidedly Christian and Church basis. I have been urging all the workers in our various agencies to remember that they are not merely social service workers, professionally employed, but that they are agents of Christ administering His mercy and bounty to the underprivileged, aged, sick, and overborne. Last year at the City Mission, we held a Communion service for all social workers and we had our lunch at the Seamen's Church Institute afterwards. This year, I hope they will be able to form a Guild of Christian Social Workers belonging to our Church.

Confirmations during the year have been about the same as last year. It is noteworthy to see that more and more candidates are being received from the Roman Church. Also, the chapel services every day and the confirmations on Monday afternoons have been well attended.

Respectfully submitted,

WILLIAM P. REMINGTON

APPENDIX C

Annual Report of
The Rt. Rev. J. Gillespie Armstrong, Suffragan Bishop

The necessity of making a report on the first two months of my Episcopate presents such obvious problems as to make writing one most difficult.

I filled such assignments as were given to me by Bishop Hart as well as I could. I would like to say that my visits to Parishes and Missions in Bucks County, Montgomery County, and two visitations in Philadelphia were a most encouraging start as, without exception, I found full churches, capable clergymen, happy and enthusiastic congregations. The people presented to me for confirmation had been carefully prepared for the important step that they were taking. During this period I neither was concerned with theories nor attempting to make plans but rather applied myself to learning what was going on and how affairs were being conducted. I should hope and expect that at the end of 1950, I would have a more substantial report to make.

I would again ask your prayers.

Report of the Standing Committee to the Convention

At the stated meeting of the Standing Committee held on May 24, 1949, the Committee received the report of the Secretary of Convention that Convention had elected as members of the Standing Committee for a term of five years,

THE REV. NATHANAEL B. GROTON, D.D.
MR. SPENCER ERVIN

and for an unexpired term ending 1950,

MR. EDWARD B. CLAY

The Rev. Dr. Franklin Joiner was elected President of the Standing Committee and Mr. William H. DuBarry was elected Secretary.

The President appointed the following committees:

Budget Committee: Dr. Groton, Mr. Clay.

Committee on those qualified for election to the Episcopate: Dr. Groton, Mr. Houston.

Committee concerning the qualifications of Postulants and Candidates for Holy Orders, the Diaconate, and the Priesthood: Dr. Groton, Dr. West, Mr. DuBarry.

The death of Mr. William Woodrow Montgomery, Jr. on August 9, 1949, was noted by the following resolution of the Standing Committee:

The members of the Standing Committee of the Diocese of Pennsylvania herewith place on record their corporate sense of loss and their individual feelings of sorrow in the death of their fellow member, William Woodrow Montgomery, Jr. He was first elected to membership on the Standing Committee on March 3, 1942, to complete the unexpired term of Parker Shortridge Williams, deceased, and was re-elected May 6, 1946, to serve for the ensuing five years. He died at his residence in the Barclay Hotel on August 9, 1949.

From the first meeting Mr. Montgomery attended he proved to be an invaluable member. His long experience and distinguished practice of the legal profession fitted him uniquely for his place on the Standing Committee. His clear insight into a situation under debate, his quick and accurate appraisal of differing opinions, and his fair and impartial judgements were highly valued and appreciated and will be greatly missed. His genial companionship was an addition to the fraternity of our meetings, so his death means a loss to us that is both personal and official.

It is the wish of the Standing Committee that this statement be spread upon our Minutes, a copy sent to his widow, and that it be printed in a forthcoming issue of *The Church News*.

May he rest in peace: and may light perpetual shine upon him.

Mr. Thomas B. K. Ringe was elected a member of the Standing Committee on October 25, 1949, to fill the vacancy caused by the death of Mr. Montgomery.

A Special Convention held on January 24, 1949, having given its consent to the Diocesan's request for a Bishop Suffragan, the Standing Committee proceeded to obtain the consent of a majority of the Bishops and Standing Committees of the several Dioceses to the election of a Bishop Suffragan in the Diocese of Pennsylvania. The matter of the establishment of a new parish in Gladwyne, Penna. was presented to the Standing Committee in a petition addressed to the Bishop and the Standing Committee by the incorporators of the proposed new parish. Bishop Hart, according to Canon 9, Section II, notified the Rectors and Secretaries of the Vestries of the three parishes whose places of worship are nearest the site of the proposed new parish, the three parishes involved being All Saints Church, Wynnewood; St. Mary's Church, Ardmore; and the Church of the Redeemer, Bryn Mawr; and asked that any objection to this proposed establishment be made known to the Standing Committee.

Letters were received from all three of these parishes, stating that they had no objection to the establishment of the proposed new place of worship.

After discussion and upon motion, it was agreed that the Standing Committee should advise the Bishop to proceed with the establishment of the proposed new parish at Gladwyne, Penna., in accordance with Canon 9, Section II, and suggest to him the importance of having the architect's plans meet the requirements of good architectural design.

The Standing Committee gave its consent to the sale of the property of St. Joseph's Mission, Gladwyne, Penna.

APPENDIX H

Report of the Treasurer of the Diocese for Year 1949

The report of the treasurer of the Diocese of Pennsylvania for the year 1949, audited by Charles S. Rockey & Company, certified public accountant, is submitted herewith.

The total receipts for 1949 were approximately $20,000 less than 1948, principally because of a lower amount in the Presiding Bishop's Fund.

Payments from churches and missions on proportionate shares were slightly higher than last year. Again this was accomplished chiefly by an overpayment from 112 churches and missions. Actually, the Diocese received $359,603.83 against accepted proportionate shares of $332,190.92.

In the special funds, as noted above, contributions to the Presiding Bishop's Fund were down approximately $40,000, Episcopal Hospital down $5,600, the Lenten Offering increased $5,000. Appeals for the radio program brought in $13,274.44. Details of all these figures are in the appended report.

Our pledge to the National Council was met in full. Some of the larger expenditures for advancement of missionary work in the Diocese were appropriations for Ascension Mission, West Chester, $22,189.28; for rectory, Trinity Mission, Solebury, $10,190.36. St. Philip-in-the-Fields Mission, Oreland, was assisted by a contribution of $3,805.07 toward building a rectory and $8,650 for reduction of mortgage. An appropriation of $750 was given for the expenses of a youth delegate to the General Convention.

The results for the year could not have been reached without the devotion of the clergy and laity under the leadership of our Bishops.

The Church House staff continue to perform their duties in an unselfish and loyal manner.

Respectfully submitted,

FREDERICK R. DRAYTON
Treasurer

APPENDIX I

DEPARTMENT OF FINANCE, PROPERTY AND PROMOTION

By the action of the Diocesan Convention of May 1949 a new division was made in the work of the Executive Council; the Department of Property and Department of Promotion become sub departments under Finance. The Field and Publicity are under Promotion.

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1949 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, with Mr. Edward B. Clay as Chairman, has met during the year, and their report will be found elsewhere in the JOURNAL.

The Department notes with pleasure that all bills of the Diocese, and its Expectation to the National Church for 1949, have been paid in full.

Because of overpayments and lapsed balances the Department was able to appropriate ten thousand dollars towards the rectory of Emmanuel Mission, Quakertown.

JOSHUA ASH PEARSON,
Chairman

REPORT OF THE COMMITTEE ON FINANCIAL SAFEGUARDS

While some progress is being made, the latest figures indicate 67 per cent or 138 Parishes and Missions complying in full with Canon XVI.

Compared with 65 per cent or 131 in 1949 the above looks a little better, however the greater number of those not complying are usually those who need most, the benefit of a Certified Accountant's experience and assistance in the keeping of their records.

At times this Committee is called in when records and methods have become tangled. Needless to say, this does not make for harmony, and in some cases decidedly disrupts the spiritual work of the Clergyman in the parish.

Canon XVI was written and put into our Diocesan Canons with the sole idea that, complete observance by vestries, wardens and treasurers will prevent friction and discord.

The cost in dollars of complete compliance has been so reduced by the splendid co-operation of Certified Public Accountants who are familiar with Church records and procedure that it is no longer a bar to even the smaller parishes or missions.

A $2,000.00 Fidelity Bond costs but $12.50 for 3 years and the combined cost for a C.P.A. audit and the bond would be approximately $20.00 per year.

If there is any question in the minds of either the Rector or Vestry as to whether their records and financial statements are not being kept properly, it is highly desirable for them to consult with the Committee promptly.

The Committee wishes to express its appreciation to all Accounting Wardens and Treasurers who are already observing all of the provisions of this Canon.

Respectfully submitted,
EDWARD B. CLAY, *Chairman,*
Committee on Financial Safeguards

REPORT OF THE PROPERTY COMMITTEE

During the year 1949 our Committee on Church Furniture began to function actively by sending letters to all the clergy relative to the exchange of surplus property, with beneficial re-

sults to several. A complete survey of the furniture of St. Jude and the Nativity was made to establish a value for a sale.

Our Architects Committee established a policy with respect to plans for future buildings in the Diocese and approved the plans for St. Christopher's, Gladwyne and Advent, Kennett Square. They also supervised the building of the rectory at Solebury and alterations to Christ Church, Eddington and Advent, Hatboro.

The Committee joined in the purchase of a rectory for St. Peter's, Broomall and additional ground at St. Paul's Edgely as well as visiting several missions to arrange repairs—Prices of ground were obtained and sites visited many times in connection with the establishment of new parishes and missions—considerable work was done in connection with the selection of a Conference Center.

The Committee co-operated in the acquisition by deed of the property known as Ravenswood in Germantown which had been willed to the Diocese many years ago but not accepted.

The Church House was maintained in good physical condition.

R. J. McCarthy,
Chairman

PROMOTION

REPORT OF THE DEPARTMENT OF PUBLICITY

Maintaining and improving public relations is the continuing and constant work of the Department. The metropolitan daily newspapers, the neighborhood papers within the city limits and suburban papers throughout the remainder of the Diocese are turning more and more to our Department for co-operation in the matter of Church publicity. The editors and writers for these secular newspapers check with our office for many details in addition to the regular releases which we send out each week.

Much public interest was manifested in connection with the 400th Anniversary of the Book of Common Prayer. The exhibition of Prayer Books in the Public Library on the Parkway for

two weeks in April afforded a good opportunity for the promotion of publicity. The Mass Meeting and Diocesan Service to mark the Prayer Book Anniversary in the Church of the Holy Trinity on June 5th was also given widespread publicity.

Special Diocesan Conventions in connection with the election of another Suffragan Bishop created a large public interest, not only in the local secular press; but also in the national Church publications. Following the election, arrangements in connection with the service for the Consecration of Bishop Armstrong included the very successful televising of this impressive service over station WFIL-TV.

To have the facilities of a TV station for a two-hour service was a fine demonstration of the successful operation of public relations for the Diocese. It not only involved the use of so much time on television, which is most unusual; but many contacts before and during the televising—details behind the scenes which were not known to many persons.

Through contacts established with the Radio Corporation of America, TV receiving sets were made available in churches and parish houses, without cost, so that many persons who could not be given seats in the Church of the Advocate, did assemble in our churches and missions to witness the service. Altogether this adaptation of television in connection with a significant Church Service has marked a new turning point in public relations. Experience and contacts in connection with this event have laid good foundations for continued use of this means of communication to further the work of the Church in this Diocese.

While the General Convention met in San Francisco in September, there were many details in connection with its publicity which were handled by the Diocesan Department of Publicity. The releases sent directly from the press room of the General Convention over the wires of the press associations to local papers, were frequently checked with us, especially as reference was made to persons from this Diocese who were mentioned in the news of the General Convention.

In addition to this endless contact with outside avenues of communication, the Department continues the regular publication

of THE CHURCH NEWS, which has had a very successful year. Those who have known this publication from its beginning say it has never contained so much lively news of the work being carried on in the Diocese as it does contain today. "Something for the Men" is one of the new features which has been established in response to a desire on the part of some of our most active Laymen for news of special importance to the male element in our lay membership. This new department has found a place for itself beside the Woman's Auxiliary and the Department of Christian Education. Messages from our Bishops, and miscellaneous news reflecting the activities of institutions, missions, and parishes should have a wider reader response.

The subscription price of $1.00 per year makes this official news magazine of the Diocese available to all of our people. To serve its purpose effectively, there should be a copy of THE CHURCH NEWS in the home of every family in the Diocese. We solicit the co-operation of the clerical and lay leaders of the Diocese to help us realize a wider usefulness for this interesting publication.

REPORT OF THE FIELD DEPARTMENT

The Diocese of Pennsylvania in the past seven years has increased its contributions to Missions from $110,000 to $214,000. For 1950 another increase has been accepted, raising the amount to $225,000.

The clergy and laity of the Diocese have accepted these increases with true Christian loyalty and sense of responsibility. The work of the Department consists mainly in educating our people as to the needs of our various far flung missionary fields. Slowly we are coming to realize that the world in which we live is one world. What happens in China is related to us in a matter of minutes. Radio has removed the thought of far distant places. The world is our neighbor. Every Christian is aware of his personal responsibility to all neighbors who inhabit the face of the earth.

General convention has laid upon us the greatest responsibility in our history. There is no longer such a thing as a "saturation point." We must give, and give, and give and follow out Christ's command to "go into all the world and preach the Gospel."

A new approach to the Every Member Canvass will be presented to Convention and to the clergy at a special meeting this Spring with the hope that a trained group of laymen will lead us to an ever greater and greater service and loyalty to our Master.

DEPARTMENT OF MISSIONS AND CHURCH EXTENSION

REPORT OF THE DEPARTMENT OF MISSIONS

In the report of this Department to the 1949 Convention, it was stated that its administration was temporarily continued pending reorganization. That reorganization has now become effective with the election of Bishop Armstrong as Suffragan, with his special assignment to the oversight of the Missionary Activities of the Diocese.

One of his innovations has been to substitute for routine reports of the Deans, an opportunity for them to present matters of pressing importance for discussion and decision, and to devote the remainder of the meeting under a special order of the day to consideration of a specific problem. The first discussion under this procedure related to the plans for St. Alban's, Newtown Square, and approval was given to the purchase of land from the Contributors to the Pennsylvania Hospital as the new site for the Mission.

Other forward work has been accomplished in the several Convocations, as will be evident in the submitted reports of the Deans.

Shifting populations continue to present the most serious problem confronting the Diocese, and its importance cannot be overemphasized. This involves both the declining membership in many

city churches and the difficulty of making adequate provision to meet the greatly increased needs of the new residents of the suburban areas. It is true that, as a Department, we have no jurisdiction over parishes; but means should be provided for meeting the problems of declining churches before their affairs become too critical. Salvaging an established work can prove quite as important as establishing a new one.

Too frequently, opportunities have been lost because the Church has lagged too far behind the developer, only to find when its interest has been stimulated that the price of acceptable sites has outrun its purse. The Church should be on the ground before a building project is all but completed.

We have found many times how mistaken and costly it has been to wait until a finished structure can be provided. Humble beginnings, by the establishment of Church Schools in vacant stores, private homes or temporary buildings, should not be ignored because they do not always conform to our ideas of the church we want to see eventually rise on the site.

After all, it should be the concern of the whole Church to bring the Gospel to God's people wherever they are.

This Department recognizes its debt to the Department of Property for its painstaking efforts to find and recommend suitable sites in areas where the need is or will be greatest.

The astounding growth of all the outlying sections of the metropolitan area must be evident to all who, having eyes, should see. It is beyond the capabilities of this Department to be intimately acquainted with all these developments, and it is therefore the obligation of every churchman and churchwoman to become the extended arms of the Church, to acquaint its administrators with the great needs and the innumerable opportunities opening before us.

Business brains rarely miss such opportunities for their expansion. God's business is big business, too. Should not the brains of the Church be equal to the brains of business?

CHARLES E. TUKE

CONVOCATION OF CHESTER

When Dean Shreiner announced nearly two years ago that he would not be a candidate for re-election it brought to a focus the need of a suffragan bishop in charge of missions, for it was generally agreed that no one could be found to carry on the work of the Convocation of Chester in the way that he had done. During the nearly twenty years of his leadership there has been steady and abundant growth in the work of the Convocation. New places of worship have been established, missions have become parishes, and the giving of the Convocation has reached an all-time high. No one could be found who would even attempt to succeed him unless the responsibility were shared with a suffragan bishop. The present dean feels that even with the help of Bishop Armstrong that he has a tremendous task ahead of him in trying to emulate the accomplishments of his predecessor.

At the same time that Dean Shreiner announced his retirement our able and very faithful Secretary-Treasurer, Mr. Freas B. Snyder also signified that he wished to retire. His knowledge of real estate and building has been invaluable to the Convocation in these years of rapid expansion. That knowledge and his time he has generously shared with the Convocation.

This report is naturally a report of the work of Dean Shreiner because all of the work mentioned herein was accomplished before the end of his term.

Several changes have been made in the missions of the Convocation. Bishop Hart appointed the Rev. E. Clarendon Hyde to be Vicar of Saint John's, Concord; the Rev. Vernon Matthews to be Vicar of Saint Peter's, Broomall; the Rev. Arthur Gibson to be Vicar of Saint Luke's, Eddystone; and Mr. E. A. Garrett III has been placed in charge of Saint Andrew's, West Manayunk while pursuing his studies at the Philadelphia Divinity School.

Saint Mary's, Chester, continues under the supervision of Saint Paul's, Chester. An extensive program of rehabilitation has been accomplished there. The walls of the basement have been sealed, so that the basement is no longer a lake after every rainstorm. Warped and rotting wood has been replaced and the room gener-

ally redecorated, so that it is usable once more. The work at Saint Mary's is being carried on at no expense to the Diocese.

Several of the missions are making steady progress toward self-support, notably the Church of the Advent, Kennett Square, which is also building a parish house. Others are All Saints, Darby, where the parish hall is being very much improved; Saint Luke's, Eddystone; Saint Mark's, Honeybrook, and Saint Peter's, Broomall. Saint James, Green Ridge, has already outgrown its present quarters, and something will have to be done towards enlarging the present building before long.

During the past year the new church for Ascension Mission, West Chester, was completed in time for the Fall meeting of the Convocation to be held there. This congregation has for many years begged for help in building a new church, and it is a great satisfaction to them as to us that such a beautiful little church has been given them.

A rectory was bought for Saint Peter's, Broomall, with a gift from the Merrick Fund and a loan from the Church Foundation which will be paid off in lieu of rent.

Two new congregations are being formed and churches are about to be built in Penn Wynne and Gladwyn. The Church of the Holy Apostles and the Mediator are about to erect a new chapel of that parish on Remington Road in Penn Wynne. While this will not be a responsibility of the Convocation it will be watched with interest for it fills a long awaited need in the Convocation. Work is also about to be started on the new Saint Christopher's Church in Gladwyn which will take the place of Saint Joseph's Mission. This also seems like a field ripe for the harvest, and we should have a strong parish there within a few years.

The Woman's Auxiliary of the Convocation faithfully fulfilled their pledge toward the building of the new church in West Chester, and are now turning their attention to assisting Saint John's, Concord, in building a parish house. The work of the Convocation has been greatly strengthened over the years by the assistance given by the Woman's Auxiliary. By clearing the missions of mortgages, by their generous help in erecting Saint Peter's,

Broomall, and Ascension, West Chester, they have helped to make the Convocation and the Diocese stronger. I hope that I may receive the same loyal support from them that they have given to Dean Shreiner.

RICHARD T. LYFORD, *Dean*

THE WOMAN'S AUXILIARY OF THE CONVOCATION OF CHESTER

The Woman's Auxiliary of the Convocation of Chester held its two regular meetings in the Spring and Fall of 1949. The meeting in May took place at St. George's Church, in Ardmore, where we spent a happy and profitable day. After a stimulating talk from Bishop Hart, we went on to reports of the United Thank Offering, the Departments of Prayer and Worship, and Christian Education, of the Woman's Auxiliary, and we had a message, helpful as always, from our Diocesan President, Mrs. Beath. The speaker, after lunch, was Mrs. Charles H. Long, Jr., recently home from China, where her husband had been a Missionary in Nanking. A delicious luncheon was served to the Clergy and Officers and coffee provided for all the delegates.

In the Fall, in October, we met at St. Giles's Church, in Stonehurst. This was the day of Dean Shreiner's retirement. A very large number were there to bid adieu and Godspeed to him who has done such valiant work in the Convocation, and to welcome our new Dean, the Rev. Richard T. Lyford, Rector of St. Asaph's Church, Bala. We are very fortunate, indeed, in his appointment.

Bishop Hart, the Rev. Nathaniel Groton, and the Rev. Charles Long, Jr., gave us the salient points of interest and importance, fresh from the Convention in San Francisco. We also heard from Mrs. Tilden, Diocesan U. T. O. Treasurer, of the presentation of the $2,000,000 offering at the Convention. The delightful hospitality and delicious lunch provided for us, again, made our day a perfect one.

In May, the Women of the Convocation sent $2500. to the Treasurer to be applied to the Church of the Ascension in West Chester, and added $280 to that sum to be used toward furnishings. For the next two years, we are to raise $5000 towards a Sunday-School and Parish House Wing for St. John's, Concord.

We were most happy to hear from the Rev. Walter P. H. Parker of the Church of the Ascension, West Chester, and the Rev. E. Clarendon Hyde of St. John's Church, in Concord, who told us of their work in these Parishes in which we are so deeply interested.

THE CONVOCATION OF GERMANTOWN

In the Convocation of Germantown there are fifty centers for the worship of God and the work of the Episcopal Church. The population of the Convocation is increasing and is likely to continue to do so. Consequently we should be on the lookout for suitable locations which may be secured for new missions. But there sites should be centrally located and widely removed from existing parishes, for in these days of easy transportation and, unfortunately, of somewhat lax attendance at church services the great need is to have fewer and stronger parishes.

Humanly speaking, the strength of a mission depends very largely upon the type of Priest who is placed in charge of the work; and the fact that the missions of the Convocation, in almost every case, report real progress would indicate that the men in charge of them have been wisely chosen. For this I desire to express my very sincere thanks to Bishop Hart.

Since my last report another of our missions, that of Ascension, Rhawnhurst, has become a parish and is known as All Saints, Rhawnhurst. This was brought about by the old parish of All Saints, Moyamensing moving to Rhawnhurst and taking over the work of Ascension Mission, a wonderful event in the life of that mission. I pray that it may more and more become an ever-increasing power in that rapidly growing section of the Convocation.

Incarnation, Morrisville has under the wise and energetic direction of the Rev. William T. Warren, made steady and consistent progress. It has witnessed a good growth during the year and it is not too much to expect that before long this mission will become a self-supporting parish.

Trinity, Buckingham under the earnest leadership of the Rev. Roderick Pierce continues to grow splendidly. They are asking less and less financial aid from the Diocese and there is every reason to believe that they, too, will assume parish status in the near future.

With the completion of a rectory and the advent of a resident Priest, the Rev. Walter K. Malone, Trinity, Solebury has been greatly encouraged and has taken on renewed energy. They are

improving their property and raising funds for necessary enlargement of the church. The services are well attended, the Church School is growing, and the prospects for its future are most promising.

St. Philip's, New Hope, continues to show some improvement.

St. Paul's, Edgely, under the active leadership of the Rev. Stanley A. Powell is carrying on well, and it is encouraging to note that they have substantially increased their income through their offerings. Their future looks brighter than at any time since I have known the work.

One very great need in the Convocation now is a Parish House at Fallsington when All Saints Chapel under the capable supervision of the Rev. Arthur E. Laedlein has begun to show steady and consistent progress and is carrying on a useful work in the Community. It is generally expected that that part of Bucks County is going to see a growth in the next few years far greater than any other part of the Diocese has seen in many years with tremendous industrial and residential development. Because they have no place for meetings and church activities in which to take advantage of, and prepare for, this wonderful opportunity a Parish House there is a "must."

Grace Hulmeville, continues its very static existence, another worthwhileness of its continuance should be given most serious consideration.

I desire to express my heartfelt thanks to the Board of Managers of the Leamy Home for the use for several years of the lovely grounds of the Home for the Annual Garden Party of the Women's Aid. These gatherings are most helpful, not only for the financial assistance they provide, but also for the kindly social feeling they develop among the many members of the Convocation who gather on these happy occasions.

I am most grateful to the officers and members of the Women's Aid of the Convocation, under the able and active leadership of Mrs. James Mills, for the enthusiastic work they have accomplished during the past year, and for the financial help they have given. I am glad to offer their report and I ask that all the parishes and missions in the Convocation send representatives to the meetings

of the Women's Aid especially that they all do their part to make the coming Garden Party a success.

WOMAN'S AUXILIARY OF THE CONVOCATION OF GERMANTOWN FOR 1949.

On January 18th, Educational Day had as its topic, "Our Christian Outposts." Held at Calvary Church, Germantown, from eleven to three, it crowded into those few hours a report on China by lately-returned Mrs. Charles H. Long, Jr.; films on the Hawaiian Islands, with Mrs. Jacob Disston commenting on her recent visit to the Missions there; and a Model Meeting on Alaska under the direction of the Convocation's Chairman of Christian Education, Mrs. Fred Rodgers.

The March 15th Devotional Day at St. Gabriel's, from eleven to three, had as its devotional leader, the Reverend John K. Shryock, with the theme, "The Crucifixion In Our Prayers."

On May 17th we met with the men of the Convocation at Incarnation Mission, Morrisville. Bishop Hart was Celebrant at the Holy Communion, and spoke at the luncheon.

Garden Day, on June 7th, was at the Leamy Home, Mt. Airy.

On October 18th we met for a brief business metting at 11:00 a.m., and then joined the Program Planning Day, arranged by the Diocesan Woman's Auxiliary at the Church of Our Saviour, Jenkintown, for women in the Convocation of Germantown and the Convocation of Norristown.

CONVOCATION OF NORRISTOWN

To the profound regret of the Convocation of Norristown at its May meeting, the Rev. Frederick B. Halsey, who had been elected our Dean just twelve months before, felt obliged to resign his office on account of ill health. For the brief time Dean Halsey had served, he had won his way into the hearts of all of us; and, with keen disappointment, we accepted his resignation.

At the end of 1949, our Convocation reports only five Missions instead of six. During the year the Church of the Advent, Hatboro, was admitted into union with the diocese as an independent parish, after having been a Mission for over fifty years. The loyal Vicar, the Rev. Leonard J. Sachs, was elected Rector.

Epiphany, Royersford, continues under the supervision of the Rev. Wm. N. Lanigan, Rector of St. Peter's, Phoenixville. During the year the Mission lost the services of the Rev. Caleb Cresson, who, for the first six months of the year, had taken charge on Sundays and had done a considerable amount of pastoral work. Mr. Cresson, already past the retiring age, resigned to the Bishop because he felt physically unable to continue.

At Quakertown, Emmanuel Mission continues under the charge of the Rev. Wm. LaRue Witmer. During the year considerable repair work was done, the necessary money having been raised by members of Emmanuel. In the summer a divinity student made a rather exhaustive survey of the outlying rural areas; there is already evidence of the "moving-in" of families from Philadelphia and also from other directions.

St. Anne's, Willow Grove, is pushing ahead under its Vicar, the Rev. Harold A. Hopkins, and is taking advantage of the opportunity of ministering to many of the new families moving into its neighborhood. St. Anne's is gradually coming to be recognized as a center of spiritual healing.

Under the leadership of a loyal layman, Mr. Frederick B. Stimson, Trinity Mission at Gulph Mills, has had a happy, prosperous year. New families have come to make their homes within the reach of the Mission, new pupils and several teachers have been added to the Church School, and approximately $500.00 has been raised by the people to buy material for repairs—repairs made in most cases by their own hands. Toward the middle of the year, Trinity was placed by the Bishop under the immediate supervision of the Rev. Charles B. Mauch, the recently elected Rector of Christ Church, Upper Merion.

At the end of this year, St. Philip-in-the-Fields, Oreland, is able to point with pride to the rising walls of its new Rectory—a building made necessary because of the continuous growth of the parish organizations which are filling the parish house and using much of the Vicar's four, small-roomed apartment on the second floor. Through the interest of the people and parishes of the Convocation, through the enthusiasm of the members of the Mission, and because of a $6,000 gift by Bishop Hart from the Bell Fund, the $21,000 needed to build the Rectory was placed in the hands of the Church Foundation during the fall. Ground was broken only a few weeks later; and the Vicar, the Rev. Joseph Tatnall, and his family should be in the new Rectory during the early weeks of spring.

CONVOCATION OF NORTH PHILADELPHIA

The meetings of Convocation for the year 1949 were held at St. John's Free Church and at Grace and the Incarnation.

St. Ambrose has taken on new life and enthusiasm under the Rev. James B. Clark, whom we welcome into our Convocation. They have renovated their buildings and are looking forward to becoming an independent parish.

The parishioners of Annunciation and St. Christopher were faced with major repairs to their property, and through the cooperation of the church and the diocese, it was possible to float a loan to cover the cost, this loan to be repaid by the people. Under the leadership of the Rev. Robert S. Harris, there has been much progress made and they are planning in the future to become independent of diocesan aid.

Mr. Philip Holland, as lay reader in charge of St. George, Richmond, has done a good job at holding the parish together and preparing for the coming of a new vicar. Mr. Holland has carried on this work without any personal remuneration or cost to the diocese.

Mr. William E. Selby, as lay reader, is now giving full time to the work of St. Barnabas. Mr. Selby has been admitted as a postulant and is preparing his studies for future ordination.

We welcome to our Convocation the Rev. Daniel S. Wood, the new rector of St. James the Less, coming to us from Central New York. He is the twin brother of the Rev. Edmund B. Wood of St. Timothy's Roxborough. He replaces the Rev. Paul Weed, who has gone to New York City, where we wish him great success in his new parish.

The Rev. W. Hamilton Aulenbach, Rector of Christ Church and St. Michael's, in Germantown, has also assumed the rectorship of St. Nathanael's,

We shall miss the Rev. Dr. Felix Kloman, who resigned as Rector of Christ Church to become Rector of St. Alban's, Washington, D. C.

Since in a previous year the Convocation voted small contributions to the Divinity School and to the Diocesan Conference

Center, this year they voted to pay for two scholarships to the Young People's Summer Conference, giving one to a white and one to a colored church in this Convocation.

The parishioners of St. Jude and the Nativity have sold their church property to the African M. E. Church. We regret the loss of this fine old parish from our Convocation. Meantime, Bishop Hart is acting rector, and their address is Church House, 202 W. Rittenhouse Square until they decide where they will relocate.

We regret the serious illness of Mrs. Joseph Harrison, Chairman of the Woman's Auxiliary to the Convocation of North Philadelphia. She is confined to Episcopal Hospital at the time of this writing, and we all pray for her ultimate recovery.

We desire to thank the officers and members of the Woman's Aid to the Convocation, as well as the Executive Committee, for their loyalty and cooperation in planning and carrying on the work of our Convocation.

Our system of Convocations allows a closer friendship than can be provided by large Diocesan meetings, and also permits the Diocese through its leaders to present and explain its program to a smaller number of parishes at a time. Thus many more people become informed and interested as participants.

CONVOCATION OF SOUTH PHILADELPHIA

The work in the Convocation of South Philadelphia has gone well, for the most part, during the year 1949.

We regretted to lose All Saints, Moyamensing, from our Convocation; it having moved to the Ascension Mission, Rhawnhurst, in June. We trust that the new work will prosper under the direction of the Rector, the Rev. Arthur L. M. Worthey. We believe that most of the communicants from this parish remaining in South Philadelphia, have been attending churches of their choice and are happy in their new church homes.

The work of St. Philip's Mission is being carried on by the Rev. James Da Costa Harewood, who has been appointed to take care of the mission for three months. The Rev. Lemuel C. Dade has been ill since May, 1949, and a supply priest has conducted services during his illness.

The Rev. Francis Roseboro continues his work at St. Elizabeth's.

We are sorry to report the resignation of the Rev. Vernon Matthews, as rector of St. John the Evangelist. With the call to St. Peter's, Broomall, it meant not only Mr. Matthews leaving a field he has served for many years, it also necessitated the resignation of Mrs. Matthews as President of the Woman's Aid. We wish them Godspeed in their new work.

The Bishop appointed the Rev. Gustav C. Mechling as Vicar of the Transfiguration Mission, September 1st, 1949. We were happy to welcome Mr. and Mrs. Mechling to the Convocation of South Philadelphia. The work was progressing under Mr. Mechling's leadership until the middle of November, when the mission was closed temporarily, until the gas pipes could be replaced. Bishop Armstrong, Mr. Mechling, Dr. Roak and the Dean, on the recommendation of the Vicar, agreed that the people should be taken to Gloria Dei in the bus sent by Gloria Dei through that section to bring the people to Church and Church School. Future plans for the mission were not definitely decided upon at that time.

We welcome to our Convocation the Rev. Allen F. Kremer, the new Rector of St. John the Evangelist.

We desire to thank the Woman's Aid to the Convocation for its assistance and co-operation. We congratulate Miss Frances Talbot, as she takes the presidency of the Woman's Aid, and wish her much success in her work.

The May meeting of Convocation was held at the Memorial Church of St. Paul and the October meeting at Gloria Dei.

WOMAN'S AID

SOUTH PHILADELPHIA CONVOCATION

In the past year we have held three meetings January, May, and October. St. Luke and the Epiphany was our host in January, we had a most interesting meeting. Our speaker was Mrs. Charles Long Jr. who gave us a fine talk about her life in China. The May meeting was at The Memorial Church of St. Paul. Mr. Hannibal talked about his work at Crucifixion. This was the meeting for the election of officers for the ensuing three years. The officers were reelected unanimously, Mrs. Vernon Matthews, Pres., Miss Frances K. Talbot, Vice Pres., Miss Mildred Lee, Sec., and Mrs. George D. Craig, Treas. A new project the "Rainy Day" bag was started and each member is to put a penny in the bag on each rainy day to be used for missions. The donations voted were $50.00 to the Episcopal Hospital and $122.00 to Mr. Hannibal for his work at Crucifixion and the $153.25 from the Educational Week for the Blind. St. Philips had a Summer Vacation School which we were able to help also St. Elizabeth in their work. Our regular Christmas parties for children were held at St. Philip's, St. Elizabeth's and Crucifixion.

The October meeting was held at Gloria Dei at which time Mr. Mechling gave a report on his work at Transfiguration. After his spiritual talk we gave him $145.00 which was returned to us after he was obliged to close the Church, as it was in such bad condition. At this meeting Mrs. Vernon Matthews resigned as she had moved to Broomall, her resignation was accepted with deep regret and best wishes for her new work in her new parish. Miss Frances K. Talbot, Vice Pres., automatically took the chair. She appointed Mrs. John Samuel Vice Pres. and asked the women to help her carry on the work.

It is our great hope and prayer that we will grow spiritually and be of real help to our Dean.

THE CONVOCATION OF WEST PHILADELPHIA

At the close of the year 1949 I again want to express my appreciation to those in charge of the Missions of the Convocation for another year of splendid leadership and loyal cooperation.

St. Titus' Mission continues to do well in a community where the white resident population remains almost unchanged. Mr. Harry R. Johnson, a Seminary student, is the Lay Reader. The Rev. Thomas A. M. Barnett, a professor at the Divinity School, officiates monthly at a celebration of the Holy Communion.

During the past year the choir has secured new vestments, the interior of the Church has been redecorated, and the iron fence in front of the property has been painted. The attendances at the services have been good and a group of greatly interested teachers maintained a small, but growing Sunday School.

The Rev. Matthew W. Davis is in charge of St. Monica's Mission which has shown signs of considerable growth. The attendances have increased, repairs have been made to the property and the Mission has gone forward most successfully.

A newly-organized choir has made exceptionally good progress and new vestments were secured.

The Class presented for Confirmation totaled 27, and there were a large number of baptisms.

The Vicar's Aid Guild held a reception honoring Mr. and Mrs. Davis on his 5th Anniversary as Vicar of the Mission.

Altogether there is every sign that "Forward" is the watchword of this Mission.

The congregation of St. Cyprian's has shown remarkable progress, under the fine guidance of the Rev. Raymond Mitchell, recently ordained to the Priesthood.

A "Youth Organization," whose purpose it is to serve the entire community, has done much to help with many of the current social problems. Last summer, the Vacation Bible School completed one of the most active programs in its history.

The outside of the Church has been painted and at present the basement is being cemented, under the direction of the men of the Mission.

The average attendance per Sunday has doubled itself, in addition to a most active Sunday School. All current expenses have been met.

The active participation of the communicants of St. Cyprian's is a great testimony to the love and devotion that they have for the Mission. The forward program is well planned and we feel sure it will bear fruit.

For the encouraging assistance of the Woman's Aid to the Convocation I am deeply grateful, and I want to express my sincere thanks to the officers and members for their loyal support.

DEPARTMENT OF CHRISTIAN EDUCATION

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

One of the functions of a diocesan Department of Christian Education is to be a channel from the National Department of Christian Education to the parish—informing the parishes of the thinking and planning of the National Department and interpreting and promoting their materials and programs.

During the past year this has been especially necessary as the new educational program of our Church has begun to take form. Emphasis continues to be placed on adult education in the Church. The feeling is that the needs of our adults must be met before we can be in a position to meet the needs of our children. Therefore, various phases of adult education have been stressed by this department through the past year.

Parish adult educational programs were advocated—programs that would include study groups for all adult members of the parish as well as special study groups for teachers and parents. Diocesan programs were also geared to the new educational approach of the National Church. Six clerical representatives of the diocese went to the College of Preachers to attend workshops directed by the National Department under the leadership of Dr. John Heuss. We were also represented at the Eastern Regional

Conference conducted at Sewanee, Tennessee. We feel confident that by keeping well informed as to the progress made by our National Department our own department will be able to do a better job in helping the parishes in our diocese.

A change in the personnel of the office took place in July when Mrs. L. R. Goudie took over the secretarial work in the office—filling the vacancy created by the resignation of Miss Harley Mulford.

The following reports of the committees of the department give a detailed picture of the past year's work.

The Adult Committee,
The Rev. J. Wesley Twelves, Chairman

During the year this committee has endeavored to cooperate with the National Department of Christian Education in fostering Parish Family Study Groups.

Over fifty parishes held study groups on Successful Marriage and the Christian Family Life. Many more parishes participated in the Study of the Prayer Book which was of special interest because of the 400th Anniversary of the writing of the first Prayer Book in English. This committee cooperated with the special diocesan committee in promoting and publicizing the Diocesan Service commemorating the 400th Anniversary of the Prayer Book.

An interesting exhibit of original editions of old Prayer Books was held in the Free Public Library of Philadelphia in the spring and was seen by a great many people.

The committee has endeavored to create interest in the use of the many tracts published by different organizations within the Church and samples of these have been kept on display in the Church House.

Much of the new educational material being put out by our Church is in the field of Adult Education and this committee is trying to keep the clergy and parishes informed of what is available. We are about to publish a chart showing all books and pamphlets which are now ready for use and the material which will soon be published. We are planning to keep the clergy informed of the various adult materials being put out by our

National Department and to urge them and other educational leaders in parishes to make use of the splendid opportunity for teaching which is now provided in this material.

Guild of the Little Children,

Mrs. H. Burland Patterson, Chairman

The committee directing the work of the Guild of the Little Children has been a sub-committee of the Adult Committee. Because of the importance of this work and its magnitude it was voted at the March meeting of the department to increase the size of this committee and make it a regular committee of the department with Mrs. Patterson as Chairman. The exhibit and information booth of the Guild of the Little Children at the Church School Institute in October was exceptionally well done and the need they are trying to meet was evident by the many visitors seeking information and help. Inquiries concerning their program come in from all sections of the country.

The Church School Committee,

Miss Elizabeth A. Jenks, Chairman

The theme of the Church School Institute in October, 1949, was "Church Plus Home Equals Effective Christian Education" which is the foundation of the Church's new curriculum and one of the first gaps in our present program. The exhibit material was planned to help not only teachers but parents in the religious education of their children at all age levels. Mrs. Leonora Harris of the National Department of Christian Education spoke to the entire group at dinner of the experiences in the home by which children grow and the absolute necessity of adults having a deep religious experience and knowledge of the Church and its teaching to pass on to their children. In addition to the age group conferences for teachers where the necessity of Church and Home working together was discussed, there was one for parents led by Mrs. Harris, one for Vestrymen and one for Nursery Department leaders.

The Church School Committee cooperating with the School of Christian Education Committee planned and secured the leaders for the class "Looking Ahead to the New Curriculum." This class stressed the necessity of rethinking and carefully analyzing our present situation to prepare our teachers, leaders and parents for their part in the new curriculum.

In cooperation with the Special Offerings Committee, the Church School Committee prepared a Lenten Guide on "Japan" the 1950 Mission Study Theme. Feeling that the more we know, the more we care, ideas and suggestions are give to help clergy, superintendents and teachers make Japan and its people vital to the boys and girls in our Church Schools.

The Church School-by-Mail Committee,

The Rev. John C. Knewstub, Chairman

In 1949, 107 new pupils were enrolled in the Church School-by-Mail, making a total of 362 children on roll during the year. Thirty-one children became affiliated with the nearest Sunday School, others moved or outgrew the work, leaving a total of 285 at the end of the year. This is an increase of 30 over the number enrolled at the beginning of the year and twice the total of two years ago. Of these, 223 are in the Chester Convocation, 21 in Norristown Convocation and 41 in Germantown Convocation.

On hundred and eighty-four visits were made and 6 districts canvassed with the aid of 12 drivers. Lessons were mailed to each child for every Sunday and 65% responded with returned questions sheets. There were 17 Baptisms. Two hundred and ten scholarships were received from parishes and missions for the support of the work and a Lenten Offering of $30.16 was given by the families.

The parishes of Holy Trinity, Lansdale; St. James, Downington; Holy Trinity, West Chester; Trinity, Coatesville; and St. John's, Concord cooperate with the Parish Participation Program—supplying a worker to mail and correct the lessons to families in their districts.

Committee on Special Offerings

The Rev. W. Roulston McKean, Chairman (Resigned in June, 1949)

The Rev. Aaron Manderbach, Chairman (Appointed in October, 1949)

The Lenten Offering, with great outdoor services of Presentation, is of course, the largest of the special childrens' offerings. Because the grounds were too wet from recent rains the service, held at Episcopal Academy, May 22nd, was held simultaneously in the Chapel and gymnasium. The sun came out in the afternoon too late for the ground to dry—and with the sun came approximately a thousand vested Junior Choir youngsters. The choirs processed from the Senior School to the Chapel and gymnasium. It was a beautiful sight and skillfully done. Great credit goes to the many clergy and laymen who handled this. Fr. Reinhardt was the speaker in the gym and Bishop Mitchell, retired, of Arizona in the Chapel. Bishop Bentley, Vice-President of the National Council and Bishop Hart received the offering in the gym and Bishop Remington and Bishop Mitchell in the Chapel.

The Lenten Guide for Church School Leaders was again prepared jointly by the Church School Committee and this committee.

The Advent Offering for 1949 was $1,624.12 and was designated for Youth and Church School work at St. Cyprian's Mission. This is the largest Advent Offering in several years and is almost double the amount received in 1948.

The Birthday Thank Offering 1948-49 was for Children's Rooms in a new community center and parish house at Roan Ridge and amounted to $97.43.

Our Church Schools, under the leadership of Mrs. Lorin Blodget, Christmas Box Secretary, sent over 100 gifts to Alaska and Liberia and thousands of gifts to Church Schools and institutions in our own diocese.

The Vacation Church School Committee

Miss Eleanor A. Deane, Chairman

The Church today is beginning to think in terms of the development of the whole personality. When this thinking becomes the

common thinking on the parish level the value of the Vacation Church School in the educational program for children will be more clearly recognized. Too few of our clergy and parish leaders take advantage of the summer months for a constructive educational program. However, there continues to be approximately thirty such schools in this diocese and the average enrollment for many of these schools is higher than their Sunday enrollment—showing they are serving their community.

Committee on Weekday Religious Education

Dr. Henry J. Gideon, Chairman

The committee was organized primarily to make a study of the two types of weekday religious education on released time from the public schools.

The study of the parish-type week-day religious schools was conducted under the leadership of the late Helen C. Washburn and covered a period of three years. It was widely distributed in pamphlet form through the diocese and elsewhere throughout the country.

A three year study of the community-type school was then begun by Miss Washburn and at her death in 1946 continued by the committees which she had set up. It was completed in the early part of 1949. This study was also published in pamphlet form and sent to all the clergy in the diocese. This report was submitted to the Department of Christian Education as the order of business for the January meeting, 1949.

A skeleton committee has continued for the purpose of keeping the Department informed of trends and development in the field. The chairman represents the Episcopal Church on the Weekday Committee of the Philadelphia Council of Churches and has attended several meetings of that group.

During the year the Roman Catholic Church which has been strongly in favor of weekday religious education on released time announced plans for after-school religious instruction on a large scale for children attending public schools within the Philadelphia Catholic Archdiocese. For some years the archdiocese has provided summer classes in religion for Catholic public school pupils. The

new program calls for two hours instruction a week for children in public elementary schools and at least one hour a week for those in public high schools.

At the present time there is no organized program to interest the Philadelphia Board of Education in granting permission to set up any type of weekday religious classes on released time within the city limits.

Committee on Audio-Visual Aids

The Rev. Harold A. Hopkins, Chairman

Our library of Audio-Visual Aids continues to grow. In fact it has grown to such a size that we now find it necessary to purchase a cabinet to hold same and set up a regular filing system. The value of the slide and filmstrip as a valuable teaching technique has been proven and more and more parishes are recognizing this. The Chairman has arranged a schedule for the showing of 16 mm. films on Monday mornings to the Clerical Brotherhood. This makes it possible to acquaint the clergy with what is available and also to preview them.

The Commission on Youth

The Rev. John Vander Horst, Chairman

Although the Diocesan Convention in May voted us funds for a part-time Youth Worker in 1949 we were unable to secure one. For the last six months we concentrated on securing a full-time Youth Worker for 1950. However, to date, we have not been able to secure a person with experience in this field of the Church's work. The Commission recognizes that until the services of a Youth Worker can be obtained further expansion of the work is practically impossible. However, a good foundation has been laid and the work is progressing.

During Inter-Church Youth Week, January 30th-February 6th, a group from the Diocesan Youth Council participated in an Ecumenical dinner program. In skit form they demonstrated the Episcopal Church as a "Bridge" Church with its rich heritage of both Catholicism and Protestantism.

Two issues of the Program Calendar were again published by the Youth Council. The Council again participated in the May

Fete at Episcopal Hospital and also acted as ushers at the Presentation Service.

The Diocesan Youth Convention held at Episcopal Academy, April 30th, was attended by almost 300 young people from approximately 65 parishes and missions. Both Bishop Hart and Bishop Remington attended and the Rev. Walter H. Welsh, Rector, Grace Church, Syracuse, and Chaplain at Syracuse University was the speaker. The theme of the Convention was "Onward in Faith."

Officers of the Diocesan Council for the year 1949-50 were elected at this Convention as were also the Youth delegates to the National Youth Convention. This was held in San Francisco September 29th-October 2nd. Miss Jane Ball, Chairman of the Youth Council and Donald Riecks, Diocesan Y. P. F. Chairman were elected Youth delegates and the Rev. John Vander Horst, Chairman of the Youth Commission, was the Youth Advisor delegate.

The Youth Commission conducted a Weekend Advisors Conference at G. F. S. Holiday House in Cape May, September 9th-11th.

Two District Youth Rallies were held during the year in most of the districts and at the Fall Rallies the delegates to the National Youth Convention made stimulating reports.

The Diocesan Youth Worship Service, held annually on the first Sunday in Advent at Holy Trinity Church, was attended by over 500 young people from all points of the diocese. The Rev. Thorne Sparkman, D.D. was the preacher for the service and spoke on the subject "First and Second Class Christians."

The Youth Commission, Youth Council and District Councils realizing that it take strong parishes to make a strong Church are bending their efforts in that direction.

Summer Conference Committee

The Rev. Aaron Manderbach, Chairman until July

The Rev. John Vander Horst, Chairman

The Diocesan Summer Youth Conference was again held at Haverford College, July 3rd-9th. The campus is so large and

beautiful; the interest and cooperation on the part of the staff of the College so fine, it was a great pleasure to be able to return there. The total enrollment was 121 and we feel sure that the size of the conference is a great factor in developing the unusually good spirit found at all our conferences and especially of the last two years. We had the honor of having both Bishop Hart and Bishop Remington on our staff as well as a fine group of both clergy and lay people from the diocese. To this group were added three outstanding representatives of the Church from outside the diocese. Our Chaplain, the Rev. Thomas Van B. Barrett, Chaplain, Kenyon College and former head of the National Council's Division on College Work who contributed so much to every phase of conference life but who through his chaplain's talks gave new meaning for a life of discipleship. "Scoop" Liu, the Rev. Carl H. F. Liu, since returned to China but who will always be with us when two or three are gathered together discussing "summer conferences." The Rev. Tollie Caution, D.D. head of the National Council's Division on Negro Work, who has been with us several years and who each year binds tighter the bonds of fellowship. Conference life is one of the most enriching agencies of Christian education in the Church.

School of Christian Education Committee

The Rev. Herbert W. Jones, Chairman

This committee, concurring with the general opinion that Churchmen today do not know what the Christian faith is, planned the fall semester of the School of Christian Education around the theme "Fellowship in Reality (Become What You Are)." The Assembly Period, led by the Rev. Wm. H. Dunphy, Ph.D., considered the disciplines of Christian growth—basing same on the Prayer Book means to the achievement of our destiny. A course on Faith and Prayer as sacramental means of Grace led by the Rt. Rev. Donald B. Aldrich, D.D. (because of illness Bishop Aldrich could not complete the course and the Rev. Burket Kniveton, missionary on furlough from the Bahamas, took over and did a magnificent job) and courses on the Christian in Action under the Rev. Leonard B. Rasmusson; the Self-revelation of Our Lord as Teacher, Prophet and the Christ, led by the Rev. Edgar E. Young, D.D. constituted a series of study which was

basic for every layman. Two other courses planned to meet particular needs of those guiding the children and youth of our Church in Christian nurture were: Youth Advisors and Looking Ahead to the New Curriculum. The whole curriculum was pointed especially to leaders who carry the responsibility of Christian Education in their own parishes. However, while the faculty secured were exceptionally well equipped to lead these courses, the attendance was very poor.

Only one semester was again planned for this year. It was six consecutive Tuesday evenings, October 18th through November 22nd. There was an enrollment of 67 from 37 parishes. The committee recognizes that the only real effective training is on the parish level—the diocesan school being for the parish leaders—and they have cooperated with others in urging parish schools for the training of teachers, youth advisors and for general adult education.

The Chairman thanks every member of the Committee for the many hours of service and thought that went into planning the School for 1949 and the Committee wishes to publish its sincere thanks to every teacher.

The Committee on Reference

Miss Maude Cutler, Chairman

This committee which functions only when specific work is referred to them was not active this year. However, at the request of the Church School and Special Offerings Committees they will start early in the new year to make a study of special offerings in our Church Schools. This study will include the Lenten Offering, Birthday Thank Offering, Advent and Christmas Offerings, etc. The study and evaluation will be in terms of education and stewardship. They anticipate the printing of a small leaflet giving a suggested list of "special offerings" that are recommended to be included in the Church School curriculum.

Bishop Hart's Clergy Conference on Christian Education

The conference this year was under the direction of a committee appointed for the specific purpose because the topics presented and discussed covered many phasees of Christian Education in

the Church. The guest speaker was the Rev. William S. Lea, rector, St. John's Church, Knoxville, Tenn., and member of the Educational Board of the new curriculum of the National Council who spoke on "The Church and Christian Education Today." This was covered in three sections with discussion following each presentation. The diocesan Department of Christian Education plans were presented at the close of the morning session and youth work in the diocese was presented at the 5:00 P.M. session. The conference was held at Valley Forge Military Academy June 14th-16th. The Department was responsible for the program for morning and afternoon sessions on the 15th.

From the reports of the thirteen committees of the department presented above one can readily gather how much time and thought has been given by the many volunteer workers, clergy and lay, who because of their deep and sincere interest in the work of Christian Education, gave freely of their time and thought. To them I wish to express my deep gratitude.

Respectfully submitted,

PETER C. VAN DER HIEL, JR.

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

REPORT OF THE
DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

The work of this Department has been seriously hampered due to the fact that both the chairman and the office secretary can give only part time to this important phase of the Church's work. No executive has as yet been appointed. This fact reduces

the impetus with which the Diocese may disseminate information concerning social welfare or attempt to coordinate the various phases of social action within the Diocese. This handicap is reflected in an inadequate budget in 1949 of $3,300.00, of which $750.00 was earmarked for contributions to non-diocesan religious agencies.

The Department started this year under the able leadership of Dr. Albert Lindsay Rowland. During the year meetings were held each month except during the summer.

A corporate communion and quiet day for Episcopal social workers, sponsored by the Department, was conducted by Bishop Remington at the City Mission headquarters in January and was followed by a luncheon at the Seamen's Church Institute.

Representatives of the Department attended several conferences during the year. The Rev. Arthur L. M. Worthey and Mrs. J. Harold Austin attended meetings in Harrisburg of the five Pennsylvania dioceses concerning state legislation. Miss Florence Davies attended a similar meeting in Washington concerning federal legislation of social import. The Rev. E. Syndor Thomas, D.D. represented the Department in August at a conference on Interracial Cultural Relations held at Lincoln University.

Perhaps the greatest activity during the year was the joint action of this Department and the Woman's Auxiliary in securing assurances so that Displaced Persons might come to this country. During the year forty-six such assurances were processed through the Department's office, a better showing than in many other dioceses.

The Department through its committees maintained contact with the institutions and agencies of the Diocese and one member of the Department was invited to be a member of the committee under Bishop Remington to direct a survey of the institutions for the aged.

In May the following officers were nominated by the Department and were confirmed by the Executive Council: Chairman, the Rev. Thomas A. Meryweather; Secretary, the Rev. Leonard B. Rasmusson. The following were nominated and confirmed for membership in the Department:

Mrs. J. Harold Austin
The Rev. Lars Bache-Wiig
The Rev. Jame M. Collins, D.D.
Miss Florence L. Davies
Dr. G. James Fleming
The Rev. D. Wilmot Gateson, D.D.
Mr. William O. Gilbert
Mrs. Eward Ingersoll
The Rev. Thomas A. Meryweather
The Rev. Robert D. Morris
Mrs. Francis Packard
The Rev. Leonard B. Rasmusson
Mr. I. Smith Raspin
Dr. Albert Lindsay Rowland
Mrs. Franklin Royce
The Rev. Percy R. Stockman, D.D.
The Rev. Philemon F. Sturges
The Rev. E. Syndor Thomas, D.D.
Mrs. George Trowbridge
The Rev. William D. Turner
Mr. George Wilkins
The Rev. Arthur L. M. Worthey

It will be seen from the above list that the Department, while much smaller in number than formerly, does represent many of the institutions and agencies of the diocese as well as the parishes. The Executive Council appointed these additional members: Mr. Osborne Coates, the Rev. Alfred W. Price, D.D.

Realizing that the purpose of the Department was primarily to disseminate information concerning the techniques of social relations to the parishes and missions, plans were inaugurated in cooperation with the Woman's Auxiliary for an institute to be held early in January 1950 at the Memorial Church of the Advocate, where facilities were available for meetings and for feeding several hundred people. The topic of the institute was to be "The Parish and Social Responsibility." Arrangements were made to invite the Rev. Robert Magill, D.D., chairman of the Department of Christian Social Relations of the National Council and the Rev. Arnold Purdie, Associate Secretary of the same Department. Delegates from each parish were invited.

The impetus gained from this institute will be directed toward sponsoring sectional or convocational meetings later in the year where matters pertaining to social education and action may be discussed with parish representatives giving special reference to local situations. A corporate communion and quiet day for Episcopal social workers and nurses will be held in March.

It will be seen from the foregoing that the work of this Department of the Executive Council during the past year has been largely in the field of social action and education rather than with institutions and agencies, in line with certain recommendations of the 1947 Survey.

However the Department does believe that the recommendations of the Administrative Needs Committee should be carried out as soon as possible in order to provide the necessary machinery by which the Church in this Diocese may carry the social Gospel of the Risen Christ through parish, institution and agency to the people of our time to the end that we shall demonstrate the fact that the Church is indeed a redeeming factor in our changing world.

In order that the members of the Diocesan Convention may be reminded of the goal toward which the Department is striving we append herewith the statement of conclusions published in the Survey of the Department conducted in 1947.

"1. The social education and community welfare program of the diocese should be strengthened by broader and more thorough consideration of current social issues; wider participation of the clergy and laity of the diocese; and provision of more continuity in leadership.

"2. The organizational, functional, and financial relations between the agencies and the diocese should be worked out through consultation of official representatives of the diocese and of each agency.

"3. The present canon of the diocese, defining relations of agencies and the diocese, should be revised on the basis of these consultations and should include provision for various categories of relationship.

"4. Provision should be made by which the parishes of the diocese can have representation at diocesan-wide deliberations on social questions, and by which the agencies of the diocese can meet together for discussion of common problems and responsibilities.

"5. The social education and social agency activities of the diocese should be closely related to each other and be integrated in a total diocesan program of Christian social relations.

"6. This integration of the two phases of the total program of Christian social relations in the docese should be delegated to an established department of the Executive Council, with defined responsibilities for education and promotional leadership, the coordination of activities and the organization of diocesan-wide conferences. The department should be available to consult with the social agencies and assist them in every possible way but should not have any administrative responsibility for them.

"7. The extent and importance of this program makes it necessary that professionally trained full-time leadership be provided for the department."

Respectfully submitted,

THOMAS A. MERYWEATHER
Chairman

APPENDIX J

REPORT OF THE REGISTRAR

The canonical duties of the Registrar have been duly performed throughout the year; and numerous requests for certificates of Holy Baptism, and of Marriages and Burials, from the registers of closed parishes, have been complied with insofar as the records were available.

The attention of all officers of diocesan organizations and institutions, and of vestries of parishes, is called to the importance of preserving the official books of record and other documentary papers of said organizations. In case of dissolution, the said books and papers should be turned over to the Registrar as soon as possible thereafter, for permanent storage in the Church House vault.

Respectfully submitted,
H. W. GERNAND, *Registrar*

Note—Canon XIV, Section 111, Paragraph 2, requires that the Ministers in charge of Parishes and Missions shall transfer to the Diocesan Register, at least once a year, and before the annual meeting of the Diocesan Convention, the names of communicants whose continued existence or whereabouts are unknown. It is therefore urged that the Diocesan Register be generally used throughout the Diocese, so that there may be uniformity in the listing of so-called "inactives," and in the compilation of parochial statistics.

REPORT OF THE CHURCH FOUNDATION
Convention 1950

At the end of 1949 The Church Foundation was Trustee in 127 separate accounts and was acting as agent for the Bishop in four accounts, and as agent of the Executive Council in two accounts, or a total of 133.

Since the last report to the Convention The Church Foundation has received the following new accounts:

Church Farm School Gymnasium Building Fund	25,000.00	
William Hudson Irick Gymnasium Maintenance Fund	25,000.00	$402,372.46

Additional Church Real Estate Acquired By Purchase Or Erection Through The Church Foundation

New Church of Ascension, West Chester	$ 40,703.69	
Purchase of Rectory for St. Peter's, Broomall	12,636.34	
Erection of Rectory for St. Philip's, Oreland	21,242.86	$ 74,582.89
Additions to existing funds	$ 59,909.17	$ 59,909.17
Total		$536,864.52

Among the additions to existing funds should be noted $32,236 added to the Fund for the Endowment of the Episcopate through the efforts of the Committee on the increase in that Fund, bringing it now to a total of $235,556.19. Also the sum of $10,244.39 was received from legacies under the wills of Anna Maria Horsey and Eliza Leadbeater, which amount was added to the principal of the Board of Missions General Fund by order of the Executive Council.

All purchases and sales of investments of Church Foundation funds are made by order of the Committee on Investments, the names of the members of which will be found on the last page of this report, and only after investigation and recommendation by a Sub-Committee. All such purchases and sales are reported to the Board of Directors at its next meeting.

The totals of book value of securities and cash held in the Consolidated Investments Fund for the past three years have been as follows:

March, 1948	$1,878,631.56
March, 1949	2,046,321.08
March, 1950	2,280,171.36

Earnings of the Consolidated Investments Fund for the fiscal years ended December 31st have been as follows:

Number of Participating Units	176,188	193,011	206,409
Earnings per unit	$0.440	$0.447	$0.4540
Administration Expense 6%	.026	.027	.027
Net earnings per unit	0.414	0.420	0.427
Average unit value	$10.67	$10.47	$10.39

As the units in the several funds were bought for such funds at constantly varying prices it is impracticable to calculate the percentage yield on cost. In the reports of trust companies having common trust funds it is customary to report the "earnings per unit distributed." Such earnings mean those distributed to the accounts of the various trusts owning units, and before such earnings reach the beneficiaries the administration charges of the companies are deducted. In the above tabulation the net earnings are actually those received by the beneficiaries of the several trusts.

The annual administration charge of 6% on income applies to funds invested entirely in units. On funds not invested in units, or partly so, the charge is 8½% on income on account of the larger amount of work involved. All but 1% in both cases is paid to the Fiscal Agent to cover its expenses in having the custody of all securities and cash, collecting of income and keeping all accounts and making all distributions to the beneficiaries. The 1% which goes

toward the expenses of The Church Foundation by no means covers the full cost of operating The Church Foundation, including an adequately staffed office which is necessary to take care of the great variety of work which comes to it, the balance of the cost being supplied by the Diocese, in payment for the work The Church Foundation does for the Diocese in connection with its real estate properties including all the missions, and partly by appropriations from a fund at the disposal of the Bishop and the Directors of The Church Foundation. A few years ago the charge was a flat 10% which was later reduced because of the setting up of the Consolidated Investments Fund which reduced the amount of work of the Fiscal Agent. It is possible that the present charges may have to be somewhat increased in the future, but even so, it is believed that they will be in no case more than, or as much as would usually have to be paid for the same services elsewhere. In making comparisons it should be realized that The Church Foundation in every case acts as trustee, and not simply as an agent, and therefore assumes the responsibility for investing, and funds once placed in trust with it are protected from being withdrawn for any purpose contrary to the original intentions. Moreover, The Church Foundation stands ready to accept trusts for Church purposes, which, because of their moderate size, would not be accepted by trust companies except at minimum rates which would absorb too large a part of the income. The Church Foundation believes that to take care of such trusts was one of the reasons for its being set up.

After this report had been prepared for submission to the printer, The Church Foundation suffered a severe loss in the death of its Executive Vice-President, The Reverend Francis C. Hartshorne, D.C.L., on April 16, 1950. It had been expected that Dr. Hartshorne would turn over the duties of Executive Vice-President to Mr. E. Osborne Coates, a member of the Board of The Church Foundation, at some time during the calendar year 1950. In view of Dr. Hartshorne's untimely death Mr. Coates will be asked to assume the duties of Executive Vice-President as soon as possible after the Annual Meeting of The Church Foundation, which is scheduled to be held on May 10th.

APPENDIX L

Commission on Evangelism

This Commission was reconstituted on June 3, 1949, and since that time has held eight monthly meetings, all well attended. The individual members of the Commission have evidenced great Christian enthusiasm at every meeting, and their personal sense of dedication may be indicated by their spontaneous request that one of their meetings be for a celebration of Holy Communion offered for the Commission as such. Unanimously, the Commission expresses its conviction of the crying need of evangelism in the life of the Church. It is the deep conviction of the Commission also that no Christian has truly felt the height and depth of his faith who has not felt the driving urge to share it.

These conviction notwithstanding, the commission is forced to report that it has spent a great deal of its time at every meeting struggling to clarify the functions of the Commission. It has therefore arrived at the following conclusions:

(1) Until this convention and the Bishop of this Diocese set certain definite goals for the Commission on Evangelism, its members do not feel it has a clear enough objective to proceed, for the reason that the work of evangelism generally overlaps the fields of Christian education, missionary work, social service, promotion and publicity, and the very preaching of the Gospel itself.

(2) There are many functions of the work of the Diocese which might properly be made the exclusive authority of this Commission, as for example, the organizing and publicizing of a Diocesan preaching mission, the encouragement of and fostering of parochial preaching missions, the guidance and direction of the spontaneous laymen's movement toward a sustained program of weekend Retreats and devotional conferences. But the Commission feels that before these or any other tasks are delegated to it, this Convention, through the Executive Council and the Bishop, should describe and distinguish the particular area or areas which should properly be the responsibility of this Commission. The

efficient functioning of any enterprise depends on responsibilities being definitely committed and definitely accepted, with the authority and funds necessary for their discharge.

The Commission moves the adoption of the following resolution:

That a committee of this Convention under the Chairmanship of the Diocesan be appointed to define the authority of this Commission and to present their findings and recommendations to the Executive Council for its action at the earliest possible time, and further, that the Executive Council be empowered to appropriate such funds as in its discretion might be necessary for the discharge of the duties of this Commission when defined. I, as the Chairman of the Commission on Evangelism, so move.

Respectfully submitted,

The Rev. Lars R. Bache-Wiig, *Chairman*
Mrs. Welsh Strawbridge
Mr. Henry Thomas Dolan
Mr. Ronald J. McCarthy
Mr. Federico F. Mauck
Committee appointed to draw this report.

APPENDIX M

Report of the Commission on Rectors' Salaries and Pensions

The Commission on Rectors' Salaries and Pensions hold regular meetings preceeding the meetings of the Executive Council. This provides the members of the Council, elected to the Commission, to make immediate report of any matter requiring action by the Council. Close co-operation between the Council and Commission has proven to be of utmost value in the matter of Salaries and Pensions.

Grants were made during the past yeart to eight Aided Parishes so as to enable the Rectors of those Parishes to receive the minimum salary paid by the Diocese. We were assured in every case that an Every Member Canvass had been conducted, the budget and possible income figures were submitted and that every possible source of income had been sought. There was one less Parish to which a grant was made, showing a gradual decline in the number of Parishes requiring aid. In ten years past the number has declined from twenty to eight.

The Commission sustained a great loss in its membership, by the death of the Rev. Dr. Francis C. Hartshorne, for many years the Vice-Chairman of the Commission. Dr. Hartshorne was ever the champion of raising the salaries of Clergymen, both Vicars and Rectors of Aided Parishes. For all the years that he has served on this Commission, he has given much time and effort to the matter of Pensions, until now not more than one or two Pension assessments in the Diocese require special attention. His personal effort, at meetings of the Commission and in Convention to carry out fully the aims and intents of the canons governing Aided Parishes has proved itself the wisest course for the Diocese, in that the high figure of thirty-three Aided Parishes of years ago have now been reduced to eight. This means that some twenty-five Congregations were cared for in years of low income and are now Parishes paying their own way, or, as in a few instances, have been joined to another Parish.

The Commission belives that its work can be fully sustained by an amount of $8,000.00, the same as several years past, and therefore asks the Convention to permit an assessment on all Parishes and Missions for the year 1951 for that sum, and therefore presents the following resolution:

RESOLVED: That the Commission on Rectors' Salaries and Pensions be authorized to assess for the work of the Commission for the year 1951 the sum of $8,000.

Respectfully submitted,

JAMES M. NIBLO
Chairman

APPENDIX N

Report of the Cathedral Chapter

A limited scope of work has been carried on at the Cathedral Church of Christ, which mainly consisted of the regular schedule of Sunday Services with an occasional special Service of Diocesan character, such as the Annual All Saint's Day Service. The Sunday Services of Holy Communion at nine o'clock, Morning and evening Prayer Services with Sermon at eleven and four o'clock respectively are providing the residents of the fast growing neighborhood with opportunity of Sunday worship. The possibilities in this direction are so great as to cause the Bishop of the Diocese to appoint a resident Clergyman to carry on the work.

One of the largest and best planned ventures in the erection of hundreds of new homes within the Cathedral precincts was started some weeks back. The Canon Residentiary was privileged to ask God's blessing upon this new operation within the City limits, which is to be known under the name of Andorra Village, the name of the tiny Principality of Europe which had been given this particular vicinity over a century previous. Surely the blessing of the project was a good omen for the future of the homes in the Cathedral precincts. "Except the Lord build the house; their labor is but vain."

There is appended to this report the treasurer's report for the year 1949 which has been examined by Main and Company, Certified Public Accountants, which report will be published in the Diocesan Journal.

Respectfully submitted,

JAMES M. NIBLO
Registrar and Canon Residentiary

REPORT OF THE COMMITTEE ON CANONS

A proposal for a change in the Canons comes from the Trustees of the Christmas Fund.

Canon VII, Section VII, paragraph 3, line 13, provides that appropriations approved by the Bishop may be made to deaconesses retiring on account of age or infirmity and "who have served in the Diocese not less than ten years."

The Trustees of the Christmas Fund request the elimination of the words "not less than ten years." This seems to the Committee on Canons to be a proper request, and therefore we now offer the amendment:

Amend Canon VII, Section VII, paragraph 3

By eliminating from the 13th line the words "who have served in the Diocese not less than ten years" so that the Canon will now read:

Sec. 3. The Trustees shall be authorized to make appropriations, at their discretion, and to the extent of the income at their disposal, to the following persons only: first, to Clergymen who have been entitled to seats and votes in the Diocesan Convention, and who, through age, infirmity or other cause are totally or partially, permanently or temporarily disabled from performing the duties of their office; second, to the widows and orphans or other dependents of Clergymen who were entitled to seats in the Convention; and, third, upon approval by the Bishop, to Deaconesses retiring on account of age or infirmity; PROVIDED, HOWEVER, that appropriations for Deaconesses shall be made only from funds, or from income of funds, contributed after June 1, 1928, nothing herein contained to be considered as authorizing the Trustees to expend any funds in their possession as of the above date, or any income therefrom, for any other purpose than for the benefit of Clergymen or their dependents, unless otherwise directed by the donors.

Commission on Music

MR. NEWELL ROBINSON, *Chairman*
MISS ROMA ANGEL, *Secretary-Treasurer*

The Commission on Music offers the following report on the activities for the 1949-50 season. The above named officers were re-elected, and Chairman for standing and special committees were appointed to carry out the season's program.

A Diocesan School of Church Music was held on four successive Tuesdays—November 1, 8th, 15th, and 22nd at St. Mark's Parish House. The subjects and lecturers were as follows:

1. Organization and choir training—Edward S. Siddall
2. Hymns and Chants—N. Sterling Marshall
3. Service Music—John R. Wilkins
4. Anthems and Motets—Roma E. Angel

The lecturers all tried to confine themselves to the problems of the average volunteer choir and its needs, and there was much valuable information given to those interested persons who attended the talks.

The Diocesan Choir, under the able leadership of Mr. E. S. Siddall began its season by singing for The United Thank Offering Service on September 15th and for Bishop Hart's Anniversary Service on October 16th, and are looking forward to several more programs in the Spring, including the Annual Convention Service in May. This enthusiastic group are to be highly congratulated for the very fine piece of work they are doing for the Diocese, and the improvement of Church Music at these special occasions. They are also gradually building a library of octavo church music, which is available on loan to any parish who may wish to borrow from it, and there is no charge for this service, other than the request that it be taken care of and returned promptly.

A Diocesan Festival Service for Junior Choirs will be held on April 30th at 4 P.M. at the Church of the Advocate, under the

leadership of Mr. Newell Robinson. Many Junior Choirs of the Diocese will take part and are busy now preparing for this important event.

The Commission's paper "The Parish Choirmaster" has continued its useful purpose of notifying the clergy and choirmasters of all activities of the Commission, and has also included in its columns other interesting items on the subject of church music, in its various phases and we are indeed grateful to the Rev. R. S. Bailey for this most helpful contribution to our general program.

The Rev. H. B. Satcher's excellent "Bibliography of Church Music and Allied Subjects" has been brought up to date, and reprinted by the Commission and is now available from the Secretary at 50 cents per copy. This is a most valuable addition to the library of anyone at all interested in the music of the church, along with our other publications. "The Hymnal 1940" and "A List of Anthems and Service Music" (1946).

Mr. Spencer Ervin has been appointed chairman of a Special Committee on Program, and this Committee has prepared a very extensive Review, which they have submitted with their report which favors a draft of programs for a cycle of seasons, thus planning well in advance for each program, which would be subject to change, according to current need, etc. Many subjects are under discussion and will be carefully planned.

The Commission offers the following Resolution:

RESOLVED, That the Commission on Music be continued, with power to fill vacancies or to add to its membership.

Respectfully submitted,

ROMA E. ANGEL
Secretary

APPENDIX S

Trustees of the Chistmas Fund

During 1949, the Christmas Fund paid grants totaling $6,095.00 to twenty-one beneficiaries. Two beneficiaries died and four were added to the list. As of April, 1950, there are twenty persons, two of whom are deaconesses, receiving assistance at an annual rate of $6,660.

Grants are reviewed each year by the Trustees who require an answer to a detailed questionnaire on the financial resources and needs of each beneficiary. While aid to an individual is modest, we know the assistance given in many cases is all that stands between the recipient and want. For that reason we are grateful to those churches which continue to add to our capital funds by annual collections. In 1949 this increase was $1,352.39

The Trustees hope the Convention will act favorably on the suggestion which they have made for the removal of the requirement for ten years' service by deaconesses before one may be eleigible to receive aid from the Fund.

By order of the Trustees.

FREDERICK R. DRAYTON
Secretary

APPENDIX T

Commission for College Work

The Episcopal Church continues to be represented at six of the major educational institutions in this Diocese for which financial assistance is provided in five instances. Other and less direct points of contact are furnished through parishes adjacent to college campuses. A new development during the past academic year has been the formation of Canterbury Clubs in two parishes not related to any specific college; The Church of the Good Shepherd, Rosemont; St. Martin's, Radnor. It is to be hoped that other parishes will adopt this plan. Certain clergy changes have modified individual college work programs. Mr. George Ruof of the Divinity School continues to work with students at Swarthmore College. The Rev. Walter Parker, Vicar of Ascension Mission, West Chester, was assigned to work at Cheyney State Teachers' College for approximately half of the academic year. It is with regret that we hear of his resignation from the Church of the Ascension. This Mission is the natural point for contact with Cheyney.

At the beginning of the academic year the Commission sent letters to parishes and missions of this Diocese requesting the names and addresses of students who are attending college. This information with a letter was then forwarded to the Chaplain or clergy in charge of the various colleges. It was further requested that on a given Sunday college work receive special emphasis by sermon or announcement and that there be special prayers for college work. The Commission feels that this is a most important service and will continue to make every effort to enable our Church to keep in touch with students wherever they may be.

On March 1 the Diocesan Commission in conjunction with the Provincial Commission on College work sponsored a meeting of college clergy and lay workers in the Christian Association Building. Representatives from the Diocese of Bethlehem and Harrisburg as well as from this Diocese attended. The Rev. Roger W. Blanchard, Executive Secretary of the National Council Division of College Work discussed his plans and sought counsel for a

national program. Points of discussion were: 1) Organization of a National Canterbury Club, 2) The National Association of Faculty Episcopalians, 3) Interdenominational cooperation locally and nationally, 4) means of communication with the National office.

A Diocesan Conference for College students took place on March 18th at the Memorial Church of St. Paul, Overbrook. Representatives from six colleges and Universities attended. Conference leader was the Rev. Shunji Nishi, Tutor at General Theological Seminary and a Chaplain at Columbia University. He presented the subject "Relevance of the Gospel on the College Campus." The high level of Mr. Nishi's presentation should be observed from the reports made by the six smaller group discussions which followed. Students were given an opportunity to come to grips with the basic problems pertaining to the Church and the college campus. Resource leaders were the Revs. Thomas A. Meryweather, Allen F. Kremer, Marshall Frye, Matthew Davis, Edward Platts and Mr. George Ruof. A dinner, group reports, summary by the conference leader and closing devotions concluded the program. A number of observations could be made concerning this confrence.

1. Opportunities must be provided for our college students to meet together for the consideration of mutual problems.
2. A number of our students are showing remarkable awareness of the Church's task on the college campus.
3. It seems apparent that higher education is rarely to be found within a Christian frame of reference.
4. The college campus is one of the most strategic missionary fields.

Respectfully submitted,

ALLEN F. KREMER
Executive Secretary

APPENDIX U

Report of the
COMMITTEE ON THE FUND FOR THE EPISCOPATE

Convention of 1949 gave permission for shortening the title of the Committee, placed it under the authority of Bishop and Convention instead of Bishop alone, and directed that its members be appointed annually by the Bishop, without restriction as to number (Jnl. 332.)

The principal of the Fund has been increased through gifts, from $202,971.61 December 31, 1948 to $220,456.19 December 31, 1949. Advertising in *The Church News* has been continued, and four leaflets have been prepared, of which one: Making a Christian Will, has been distributed, and three are reserved for future use. Eighty-two parishes and missions asked for copies of Making a Christian Will; copies of the other three, in turn, will be sent to these without further request.

We call attention to an item in *The Church News* for May-June, in which Francis Lister Hawks, writing in 1839, expresses surprise that more dioceses have not seen the importance of a Fund for the Episcopate.

The Committee has promoted an essay contest, now closed, the winners of which will be announced in *The Church News* for September. We desire to thank the rectors of Holy Sacrament, Highland Park and Resurrection, Philadelphia, and the vicar of Prince of Peace chapel, for mention of the contest in their papers.

A dinner to representatives of the parishes and missions, and to such of the clergy as had been unable to attend the dinner to the clergy the preceding autumn, was given at the Barclay October 24, 1949. It was attended by seventy-one laymen of the parishes and missions, 26 of the clergy, and 28 members of the Committee. Clarence M. Brown, Esq., chairman of the Committee presided and introduced the speakers: Bishop Hart, Senator Pepper, Chancellor McCracken and Mr. Ervin. Bishop Remington gave the benediction.

Submitted for the Committee

APPENDIX V

Report of the
COMMITTEE ON PAROCHIAL HISTORY

The Committee has pursued its task of gathering the historical records of parishes in the Diocese. About half of the parishes have supplied us with data or furnished us with complete histories. We make a plea again for a response from the rest.

During the year the Committee has prepared a list in chronological order of the parishes and missions established in the Diocese during the first 150 years, from 1695 to 1845. This list was published in the April issue of the Church News.

Careful records of the Clergy who have served in the Diocese are kept up to date by a member of the Committee.

Exhibits have been on view in the Church House of the many interesting historical booklets published by parishes. These are suggestive for those about to prepare similar histories.

The Committee expresses its great loss, by death of its oldest member, the Rev. Dr. Francis C. Hartshorne. He was responsible for many historical sketches of parishes in the Diocese, the result of his labors appeared in a series of articles in the Church News during the years of 1915 to 1917.

Respectfully submitted,

J. Wesley Twelves, *Chairman*

Report of the
BOARD OF CONTROL OF THE DIOCESAN LIBRARY FOR 1949

During the past year eleven magazines were subscribed for and placed in the rack for public use. Seventy-one books were purchased and placed on the shelves. An average of seventy books were out at a time. Lists of new books were advertised in the issues of the *Church News*. The Library was used to advantage by many clergy and lay people in their study of the Book of Common Prayer commemorating its four hundredth anniversary. Our books for this study were listed in the *Church News*.

Respectfully submitted,

REPORT OF TRUSTEES OF THE CLERGY DAUGHTER'S FUND

This Convention marks the Fiftieth Anniversary of The Corporation for Administering Endowments towards Education of Clergy Daughters.

There has been little call on this fund because of the educational opportunities today that were not present fifty years ago.

The Fund was started with contributions amounting to $914.00 and out of this amout there was placed $450.00 with the Pennsylvania Company as the beginning of an endowment. The first appropriations made on a yearly basis were as follows:

For the education of the young lady, Aston Ridge $50.00.

For the education of a young lady at West Chester $37.50.

Today from this small endowment fund it has reached $23,000.00 and from the income the Bishop has been able to meet a few of the present needs for educational help.

The funds are invested by the Church Foundation.
